*Published twice a year • (845) 575-3500 • [www.marist.edu/academics](http://www.marist.edu/academics)*

*he Marist College Dean's List, published in February and July, records the names of all full-time undergraduate students enrolled in programs that follow the traditional 15-week calendar who have demonstrated academic excellence in the previous semester. In order to qualify for this special distinction, which is permanently recorded on official College transcripts, students must earn a semester grade point average of at least 3.400 having completed a minimum of 12 academic credits graded on the A-F scale. In addition, students who earn grades of "I", "D", "F" or "WF" are not named to the list. Any student who meets these criteria (including those whose program calendars make inclusion in the publication impossible) will have a Dean's List notation permanently recorded on official College transcripts. The following students met or exceeded these criteria based on grades reported as of January 31, 2006:*
