

Use the area below each question to draft a response that will give an interviewer a favorable impression of you and your abilities. Remember the STAR to illustrate your answers.

- Tell me about yourself.
- What are your major strengths/weaknesses?
- Why should I hire you over other candidates?
- How do you handle pressure?
- What have you done to show initiative and innovation?
- What leadership roles have you had?
- What have been your most satisfying and most disappointing experiences?
- Why did you decide to interview with us?

- Why are your grades low? Do they reflect your ability?
- What do you know about our organization?
- What interests you about this specific position?
- What qualifications do you have that makes you feel you would be successful?
- What have you learned from some of the jobs you have held?
- What is not on your resume that you would like to tell me?
- Define "management".
- In what school activities have you participated? Why?

- If you were starting college all over again, what would you do differently?
- What do you see yourself doing five years from now?
- Why did you choose the career for which you are preparing?
- What major problems have you encountered and how did you deal with them?
- What criteria are you using to evaluate the organization for which you hope to work?
- What other employers are you interviewing with?
- What types of positions are you considering?
- What would be your ideal job?

- Why did you select your particular major?
- If there was one thing that you could change about your past, what would it be?
