Fire Safety

Fire safety within the Marist community is at the forefront of the Office of Safety and Security. Please take a minute to familiarize with these basic fire safety requirements.

Please review the evacuation plans posted in the hallways for your residence halls and classroom buildings.

If the fire alarm sounds; you must evacuate the building immediately. There will be two fire drills per semester in all buildings.

Close and lock all doors as you leave.

DO NOT use elevators during a fire alarm.

DO NOT re-enter a building until given the “all-clear” from the Fire Department or Security Officer.

DO NOT use candles, halogen lights, extension cords or other unauthorized appliances in residence hall rooms.

Smoking is not allowed in any building on campus. No smoking within 25 feet of any Building.
