**Looking to apply for financial aid or Federal loans?**
Please go to [www.fafsa.gov](http://www.fafsa.gov) to complete the FAFSA Applications.

For the **Summer 2013** semester, please complete the **2012-2013 FAFSA application**

For the **Fall 2013** semester, please complete the **2013-2014 FAFSA application**.

- The Marist College School Code is: **002765**. Please complete the FAFSA as soon as possible if you intend on using federal aid as the financial aid eligibility must be determined before the bill due date. Once the form is processed by the Department of Education, the school will review your FAFSA and registration status to determine any eligibility for federal financial aid.

- If you are eligible for financial aid, notification will be sent to your Marist email that your award package is ready to view via your myMarist account. Please click the tab for Student Financial Services to view your “Award for Aid Year” and “Financial Aid Requirements.” All Financial aid requirements must be completed in order for your financial aid to be applied to your account.

- **You must be registered for at least 6 credits in a semester to be eligible for a Direct Unsubsidized Loan.** Please also review your National Student Loan Database System (NSLDS) at [www.nslds.ed.gov](http://www.nslds.ed.gov) to view your entire loan borrowing history. New Graduate Loan Limits can be found at: [http://www.marist.edu/financialaid/graduate/loans.html](http://www.marist.edu/financialaid/graduate/loans.html)

- **Student Financial Services will award you the maximum eligibility for all financial aid. If you are awarded the maximum loan allocation, this will result in a large credit balance on your tuition account.** You must contact our office to request a refund or to reduce your loan amount. Please note, you may request to reject your loan in its entirety, however the balance must be covered at the time of your request. Please send email requests from your Marist email account, including your name and CWID, to the Student Financial Services email account listed below.

- Remember, for all payment related matters, please be sure to check your Marist e-mail account and your myMarist "messages" as that is the **only way** in which Student Financial Services sends notifications regarding changes and/or updates to your financial aid and billing account.

*Employer Tuition Deferment:* Students eligible for tuition reimbursement through their employer may defer the portion of tuition payable by their employer. Students using tuition deferment for the first time must submit a copy of their employer’s tuition reimbursement policy. Any amount not covered by the employer must also be paid by the bill due date. Please complete the attached form if you are using tuition deferment.

Please fax completed forms to Joyce Nittolo at 845-575-3099, or email them to studentfinancialservices@marist.edu prior to the bill due date.
Reinstatement Process

A $50 fee will be assessed to students who have been financially deleted for non-payment of their tuition. To rejoin your course(s), the reinstatement process described below must be completed in its entirety within the first 5 business days of the course(s) opening (during the full tuition period only).

1. Your entire tuition balance and the $50 reinstatement fee must be paid to get authorization from Student Financial Services to proceed with the following steps.

   In addition, please send an email to the schoolofmanagement@marist.edu to request reinstatement to all previously registered course(s). The email must be sent from your Marist email account with the subject line stating: “First and Last Name: Request for Financial Reinstatement”.

2. Send an email to each instructor to request permission for reinstatement to previously registered course(s). Please note that the instructor’s permission does not necessarily guarantee reinstatement to the course(s). The Program Director makes the final decision.

3. Forward all instructor email(s) to the schoolofmanagement@marist.edu. The Program Director will review the request. If permission to be reinstated is granted, School of Management will forward all correspondence to Student Financial Services and inform you of the outcome via your Marist email account.

Please note you may ONLY be reinstated into all of the courses from which you were deregistered. We will not accept any course changes or drops at the time of reinstatement.

Again, the reinstatement process must be completed within the first 5 business days of the course opening (during the full tuition period only).
Adding & Dropping a Course

ADDING A COURSE
You may change your courses during the open enrollment period only. Payment must be made by the due date to finalize your registration and complete your enrollment in the course.

DROP A COURSE
Email schoolofmanagement@marist.edu if you wish to drop a course or withdraw from the program after the registration period has ended but before 4 p.m. Friday of the first week courses begin each round.

Email from your Marist email account and include:

(1) your CWID number
(2) the course(s) you wish to drop
(3) the name(s) of all the course(s) in which you are enrolled for the semester (not just the round).
(4) an explanation of your enrollment intentions for the remainder of the semester.

Your financial aid eligibility as well as Satisfactory Academic Progress to maintain a specific GPA and Credit Earned Status may be affected if you choose to drop a course. Please note, a W/F is recorded on your transcript and is factored into your GPA as a “0”. Please review your audit to determine any financial aid implications.

We strongly recommend that you contact Student Financial Services when you wish to drop a course to see if or how your aid would be adjusted as financial aid is awarded on a per credit basis.

You may view the graduate Satisfactory Academic Progress Policy at:
http://www.marist.edu/financialaid/pdfs/satacadprog.pdf

Federal Regulations require that a student receiving Title IV funding (Federal aid) must notify the school when dropping a course. Written notification of your enrollment intentions for the remainder of the semester must be specified to the School of Management at the time you request to drop a course. This written notification will be used to determine financial aid eligibility at the time of course or program withdrawal.

Remember, you must be enrolled in at least 6 credits per semester to be eligible for all Federal Loans.

We also recommend that you review page 2 and 3 in this Guide for important dates and any financial implications to your request to drop a course. The last day for full tuition, half tuition, and withdrawal without penalty are stated on this page. All requests for withdrawing from a course are processed using the date of your email.

For all payment related matters, please be sure to check your Marist e-mail account and your myMarist "messages" as this is the only way in which Student Financial Services sends notifications regarding changes and/or updates to your financial aid account. The Marist email login is located at:
