PROJECT MOBILE

The Marist College Men's Lacrosse team kicked off this year's Project

MOBILE, a reading

program aimed at motivating elementary school

students to read, on Wednesday, November 5th. Players will attend two hour long sessions per month. This year's program will conclude with a field trip to Marist on April 22nd, 2009, when the men's lacrosse team hosts Siena.

GREAT USA

Student-athletes from the Marist Women's Water Polo team helped kick off this year's Girls Reading Enthusiastically Across the USA program (GREAT USA) at Hagan Elementary on Friday, November 14th, 2008. Marist athletes will be on site once a month to assist 5th grade girls in reading books from different genres which are set in various states across

NASSAU HOMEWORK CENTER

The Marist Women's Lacrosse team recently spent a Tuesday afternoon tutoring elementary students at Nassau Elementary School in Poughkeepsie, NY. The players were thrilled at the opportunity to give back to their community, especially in the realm of education. Approximately half of the student-athletes from the team were in attendance. Players from the women's lacrosse team will be participating in this program on Thursday afternoons throughout the Spring 2009 semester.

*****Tutors are needed for Tuesday afternoons from 3:15-4:00p.m. throughout the Spring 2009 semester. If your team is interested in this program, please contact Lynsey Miller at Ext 6302 or via email @ lynsey.miller@marist.edu.*****
