As this year’s community service project, the Marist College softball team adopted Second Lieutenant Michael Murray’s Marine platoon stations in Fallujah and sent the soldiers care packages for the holiday season. Murray, the son of Marist College President Dennis J. Murray, is a graduate of Marist and serves as platoon leader. The platoon consists of 34 men and one woman aged 18 to 30. Their eight-month tour of Iraq began in July and will conclude in March.

Senior right guard Jake Dembow (Merrimack, N.H.) of the Marist football team was named a Football Championship Subdivision (FCS) All-Star on Friday, December 19th, 2008. Dembow is one of 43 recipients nationwide to be honored. To be selected for this award, one must maintain a 3.2 GPA, as well as be a starter or key contributor with legitimate athletic credentials.
