Winter/Spring 2011 Registration

Advising for Winter intersession and Spring 2011 began the week of October 11th. Hopefully you have reached out to your advisors to be enabled. If not, please contact your advisor as soon as possible. You can find you advisor’s name on your degree audit in my.marist.edu and their location in the Marist directory. All students must make an appointment with their advisor to discuss course choices and academic planning. At the completion of your session, your advisor will remove your registration hold. When online registration opens for your class, you will be able to register since your registration hold will have been removed, enabling you to select your Winter/Spring courses online.

Seniors should have made appointments with their advisors, as you will be the first class to register. Underclassmen should meet with advisors soon since your advisor’s schedule is becoming booked at a fast pace because of registration. All students, please remember that if you participate in a winter or spring sport, you will be allowed to register early on the Tuesday of the week that coincides with your earned credit hours. Please note, your window for registration on your designated Tuesday will be from 7 a.m.—10:30 a.m. If you miss this window, you will have to wait and register later in the week with the general students.

Example 1: If you have 62 credits and will be in-season in the spring, you will be allowed to register the week that 70-60+ credit hour students register. Your day of registration would be November 2nd.

Example 2: If you have 95 credits and will be in-season in the spring, you would register on the week that 100-90+ credit hour students register. Your day of registration would be October 26th.

Example 3: If you have 39 credits and participate in a fall sport and will not be in season in the spring, you would register on November 11-12th. Freshman register on the week of November 17-23, unless you will be in-season in the spring. In-season freshmen can register on the November 16th.

To view where your registration time fall, please review the calendar on http://www.marist.edu/athletics/studentathlete/news.html. Click on the blue calendar under the registration article. We also have posted a pdf power point giving instructions on how to maneuver the new registration system.

The Center for Student-Athlete Enhancement will open at 7 a.m. on Tuesdays during registration to assist you with this process. Please make sure you have been enabled prior to registration so we can help you navigate through the new system!
Emerging Leaders Program: September 20th-November 17th. Learn how to maximize your potential during college while discovering and developing your leadership.

Women Leadership Opportunity The Student-Athlete Affairs Division is starting a new program for female student-athletes at Marist College. The program would include a speaker series with prominent women leaders from the surrounding area and college, service opportunities, workshops and panel discussions. For more information of how you can get involved, contact Cammie Jones at camilia.jones@marist.edu

Family Services seeks student-athlete Volunteers Family Services is looking for student-athletes to assist in their Teen Resource Activities Center (TRAC). Student-athletes would assist in the after school program and facilitate a mentoring program. Contact Cammie Jones for further information.

Career Athletes Marist College has recently formed a partnership with Career Athletes, LLC to provide student-athletes with comprehensive career education and meaningful networking and career opportunities. The program is FREE for all athletes. For further info, contact Matt Francis at matthew.francis1@marist.edu

Study Tip! Quizlet.com Several college students are trying to learn new and innovative ways to prepare for tests. Quizlet.com allows you to do the following for free and in the comforts of your dorm or the library!

Flashcard Mode lets you familiarize yourself with the material and makes flashcards for you.

Learn Mode is the most powerful study mode, keeping track of your scores, and retesting incorrect answers.

Test Mode generates customizable tests with short-answer, matching, multiple choice and true/false options.

This is without a doubt a great tool to use!

How to Regroup after Midterms!

Many of you have completed your set of midterm exams and are beginning to see the light at the end of the tunnel but before you become complacent or extremely stressed about completing those final projects, papers and exams, here are some tips on how to manage the rest of the semester.

1. Analyze your current standing in all of your classes. What do your grades look like? Are you satisfied with your current results?

2. If you want to do better in your classes, begin to utilize campus resources. Talk with your professors about your grades, get a tutor, and visit the Center for Student-Athlete Enhancement to obtain a FREE tutor or work with one of our proofreaders.

3. Utilize the Center for Student-Athlete Enhancement. Each sport has their own athletic advisor who is more than willing to assist you with your academic endeavors. All it takes is a simple drop-in the office. We are here to see you succeed!

Study Hall / Academic Reminders

- Remember to keep track of your study hall hours and if you have any study-hall questions, contact Matt Francis at matthew.francis1@marist.edu
- Study hall for freshmen begins the week of October 31st. Your coaches will notify you if you are mandated to study hall.
- November 1st is the last day for dropping classes without penalty of WF grades
- The Center for Student-Athlete Enhancement is now on Facebook. The site will be updated regularly and will contain information regarding campus events, study hall, registration, community service opportunities, and career development opportunities. To become a fan of this page, please search “Student-Athlete Enhancement”.
