An Application for Life Work Credits requires that the student identify a specific course in the Marist College Catalog and provide the following information in addition to this application. Additional information on these materials can be found on the *Prior Learning Review Sheet: Life Work*

- A current resume or CV
- 1-2 page Autobiographical Statement
- 3-6 page Narrative Statement of Experience
- A clear photocopy of the Marist College name and course description
Marist College Course Number: _____
- Documentation which supports the application

All materials must be included or the application will be returned to the student for completion. Upon the awarding of credit, a bill for fees will be mailed. Please submit the completed application with supporting materials to:
