# ResNet

## Client Technologies

---

ResNet is a team of **Students** and **Staff** who assist ALL Marist students with connecting and staying connected to the network. This technically skilled group supports issues related to the campus wired and wireless networks; spyware, adware, and virus removal, as well as general computer troubleshooting. To learn more about ResNet, visit our webpage at: <http://resnet.marist.edu>. If you have questions, send us an email at [resnet@marist.edu](mailto:resnet@marist.edu) or call **(845) 575-3135**.

---

## Why Buy Into the Marist ThinkPad University Program?

- Warranty repairs are done on-site at Marist in the ResNet office! We are a full-service repair shop for student owned ThinkPad University systems with a valid warranty.
- If you have an issue, there is no need to deal with calling, waiting, and being transferred to overseas Tech Support; just bring the ThinkPad to the ResNet office and let us handle it for you!
- If you purchase the optional Accidental Damage Protection (ADP) 4-year warranty upgrade, the ResNet office will deal directly with Lenovo on your behalf for accidental damage claims.
- Loaner laptops available for more lengthy repairs (while on-campus) — you will never be without computer access if your machine is under warranty!
- All our Repair Technicians are CompTIA A+ Certified and Lenovo Certified Professionals with over 2,500 hours of hands-on experience.
- Original software recovery services available on-site at ResNet.
- **FREE SHIPPING AND ACADEMIC PRICING ON ALL MODELS!** Free shipping applies at purchase and only in the continental United States.
