SECTION IIB: PERFORMANCE CATEGORIES AND CRITERIA

The following performance categories or key result areas reflect a set of responsibilities and outcomes/results expected of all professional staff members. While each staff member is accountable for overall performance in every category, in some instances certain criteria within a category may not be relevant to a particular position and therefore should not be considered. Likewise, additional criteria not listed here may be relevant to a particular department, unit or position and should be added in the space provided.

Use the following rating scales to evaluate performance in each area. Add comments which support or clarify the rating assigned in the space provided. (Attach additional pages as necessary to appropriately document ratings).

**Performance Rating Scales**

**Exceptional:** Outcomes achieved/performance consistently exceeds expectations/plans in all performance categories/key areas of responsibility, and has had a measurable impact, departmental or college wide in at least one category/key areas of responsibility (specific, detailed documentation to support an overall rating of Exceptional must be included).

**Very Effective:** Outcomes achieved/performance effectively meets expectations/plans in all performance categories/key areas of responsibility and exceeds expectations/plans in many areas.

**Effective:** Outcomes achieved/performance meets expectations/plans in all or most performance categories/key areas of responsibility and may even exceed expectations/plans in some areas.

**Needs Improvement:** Outcomes achieved/performance meets expectations/plans in a number of performance categories/key areas of responsibility but falls below expectations/plans in some areas.

**Unsatisfactory:** Outcomes achieved/performance does not meet expectations/plans in most performance categories/key areas of responsibility.
