**MARIST COLLEGE**  
**CONFLICT OF INTEREST ANNUAL DISCLOSURE STATEMENT**  
**FACULTY AND STAFF**

A conflict of interest exists in any situation in which a person having official responsibilities for Marist College is empowered to make decisions on behalf of the College and who, as a result of that authority, can potentially benefit personally, directly or indirectly, from an entity or person conducting business with the College.

I have read the Conflict of Interest section of Code of Ethics of Marist College and I understand the concept of a conflict of interest and am familiar with the required disclosure by affected employees of actual or potential conflict of interest situations. All actual or potential conflicts of interest arising from my business interests, affiliations and/or relationships and those of my family, no matter how small or insignificant, are detailed below.
