QUICK SIGN ON CHECKLIST

1. System ID: MVS
2. Sign On Command: IAPROD
3. System Number: 001
4. Operator Number: assigned
5. Password: you create, will expire periodically, and IS case sensitive

Sign On

Signing onto IAPROD requires that you have an IA User account.
Your user ID will usually be a four-digit number. To access the Student Information System, you will use the code 001 for the system number.
Passwords ARE case sensitive. If you are blocked due to a bad password, check your CAPS LOCK and try again. Password problems and resets can be called into the HelpDesk at Ext. 4357.
