STUDENT ACTIVITIES
The primary focus of Student Activities is to encourage all students to develop their intellectual, spiritual, cultural, social, vocational, and physical capabilities. The Office of College Activities helps coordinate and promote leadership opportunities and a variety of programs and services to enhance community development at Marist. Organizations include student government, residence hall councils, co-curricular clubs, honoraries, social fraternities, publications, recreation, community service, and a variety of interest groups. These activities are an integral and vital part of the educational life of the college, sharing goals of academic and personal development.

RESIDENCE LIVING
Residing in College housing provides students the opportunity to experience living in a community dedicated to the academic and personal development of each member. College housing is guaranteed for the first two years for all students accepted as resident freshmen.

Residence facilities are an integral part of the College, not only in the size of the resident population, but also in the educational experience which takes place therein. On average, approximately 70% of full-time undergraduates will live in college housing.

The buildings used for college housing vary in size and character, from the Commons housing six students, to the College’s cluster houses holding 34 students each, to the expansiveness of the largest of the College’s high-rise facilities, which can accommodate more than 440 students. The Mid-Rise houses an additional 324 students in suite-style residences.

Talmadge Court Apartments contain eight apartments housing 30 students. West Cedar Townhouses (O-S) and (T-Y) accommodate 468 students in twelve buildings. The Fulton Street Apartments house 248 students in single-bedroom townhouses. These apartment facilities have a number of units with space for eight or ten students, including living, dining, and lounging areas. Talmadge Court Apartments, West Cedar Townhouses, and Fulton Street Apartments are located on the east side of Route 9.

In order to provide an environment conducive to academic and personal development, a code of conduct and a corresponding norms structure are strictly enforced. The professional and paraprofessional staff are responsible for enforcing the code and norms in the residence halls. The Director of Housing coordinates the entire operation of the residence halls; the Resident Directors have the responsibility to manage the daily operations of the residences; assistant Resident Directors and Resident Assistants have the responsibility of seeing to the smooth running of the designated wings, floors, or apartments, primarily by enforcing the norms, acting as role models and leaders through developmental and recreational programming.

Residence assignments are, as a rule, made on the basis of double occupancy. The College reserves the right to require any student to live on campus.

Dining Services
Campus dining services offer high-quality food and beverages and excellent service through retail, residential, and campus catering dining facilities. There is a wide range of excellent dining plan options and venues to meet student needs. The dining plans at Marist College offer the utmost in flexibility and value, with convenient, affordable, customizable options for all students, from resident freshmen to resident upper-class students to commuters.
Dining locations on campus open as early as 7:30 A.M. and close as late as 1:00 A.M. The main dining hall offers a wide variety of freshly prepared meals throughout the day. Retail locations offer convenient prepared meals, made-to-order takeout, and everything you would expect and more from an excellent food court and convenience store. Campus catering is also available for student groups, residence halls, and special events throughout the academic year.

For inquiries or information, please feel free to contact our Dining Services Office at (845) 575-5100 or visit www.maristdining.com. Managers are on staff seven days per week to answer your questions.

Students residing in college housing without kitchen facilities must participate in a Carte Blanche dining plan. All sophomore students residing in college apartment housing are required to participate in the A la Carte dining plan. All junior and senior students residing in college apartment housing will be assigned to the A la Carte dining plan, but have the option to withdraw from the plan if they choose to.

RECREATION

Athletics

Marist’s spacious campus includes a number of athletic facilities. On the south end of campus is the James J. McCann Recreation Center. This recreational facility was opened in 1977 and is the focal point for the majority of our athletic teams. The $3 million renovation and addition to the facility, completed in September 1997, has made the McCann Center one of the most state-of-the-art facilities in the East. Adjacent to the McCann Center is the McCann Baseball Field and practice field. The college is about to begin renovations to the waterfront and, when completed, the renovated area will include a riverfront park. This scenic park will feature picnic areas, a beach, hiking and biking trails, a walkway along the river’s edge, and spectacular views up and down the river. The park will be developed around Marist’s two boathouses and will include improved facilities for the Marist crew teams. Docks will also be available for non-motorized craft. The park will serve Marist students as a recreational area. Leonidoff Field is a stadium that provides seating for over 3,000 for home soccer, lacrosse, and football contests. The Gartland Commons Playing Fields are located behind the Gartland Commons. This ten-acre area serves as intramural fields for the students.

In December of 2000 a new sports medicine facility opened its doors, offering Red Fox student-athletes the best treatment available with top technological advances in equipment and modalities. This addition was made possible through a generous donation from Team Physician and Orthopedist Dr. Michael Maynard. A 500-square-foot taping and equipment room in addition to a 1,600-square-foot treatment center is located at the back of the McCann Center.

Along with the sports medicine facility, a 1,600-square-foot academic area opened its doors on the second floor of the McCann Center. This area houses the Director of Academic Advisement for Student-Athletes and her staff and provides the athletes a state-of-the-art academic complex. This center is also used extensively for the NCAA CHAMPUS/Life Skills Program which began in the Fall of 2001.

Marist offers a comprehensive intercollegiate athletic program. Men’s varsity teams are offered in football, soccer, cross country, baseball, basketball, swimming and diving, crew, track and field, tennis, and lacrosse. Women’s varsity teams are offered in volleyball, tennis, cross country, softball, basketball, track and field, crew, soccer, water polo, swimming and diving, and lacrosse. All of the varsity teams participate at the NCAA Division I level.

Numerous club sports are offered including ice hockey, skiing, rugby, cheerleading, men’s volleyball, lacrosse, equestrian, and bowling.

The intramural program offers a variety of activities including basketball, volleyball, softball, flag football, soccer, racquetball, paintball, and aquatic competitions.

Throughout all levels of the physical education and athletics programs, the College emphasizes the physical, social, and recreational benefits to be gained through active participation. With these educational values in mind, the College fosters a program that encourages as broad a student participation as possible in the physical education programs as well as in the intercollegiate, intramural, and club sports offered.

Students are able to voice their concerns and/or suggestions through their SAC school representative in reference to academic programs, proposals, and changes in curriculum.

Student Life Council (SLC) consists of members from each of the resident and commuter student councils. The SLC promotes activities to provide unity among commuter and resident students. The SLC consists of members elected from each residence area and from the commuter population.

The Legislative Branch consists of the four duly elected class presidents representing the freshman, sophomore, junior, and senior classes; four campus-wide elected resident student senators; and two campus-wide elected commuter student senators. Legislative members may be appointed to campus-wide committees and are able to chair SGA committees.

Students’ induction into these honorary societies is based on the standards of academic merit and accomplishment.

STUDENT SERVICES

Campus Ministry
Campus Ministry seeks to provide for the religious and spiritual needs of all members of the Marist Community, which includes students of many faith traditions. The staff and the students who are active in planning Campus Ministry programs encourage all on campus to take part in social justice programs, volunteer efforts, prayer groups, discussions, retreats, and social activities sponsored by Campus Ministry.

Two Catholic Masses are celebrated on Sundays and four weekdays in the Seat of Wisdom Chapel. Interfaith services are held there or at other sites on campus. Clergy of various traditions are invited to campus, and the staff networks with local churches and synagogues to provide opportunities for students to attend services.

The Campus Ministry center on the south side of campus is Byrne House, located behind Champagnat. The Ministry Center for the north campus is in Kirk House. Students and other members of the Marist Community are welcome there at any time.

STUDENT HEALTH
The College maintains a campus Health Service which is located in the Student Center, Room 350. It is staffed by a physician and registered nurses. The physician is available by appointment, Monday through Friday. The hours of Health Services are Monday through Friday from 9:00 a.m. to 9:30 p.m. and Saturday and Sunday from 12:00 noon to 4:30 p.m. No overnight care is available on campus. Call Ext. 3270 to schedule an appointment.

Health Services provides treatment of common problems such as acute illness, blood pressure checks, nutrition counseling, gynecological care, allergy injections, suture removal, and other miscellaneous functions. Consultation and referrals to off-campus health-care providers, as well as health education, are also provided.

The Health Services facilities are available to all Marist students, whether they are resident or commuter, full or part time. Students are seen on an appointment basis, with the exception of emergencies, which are treated immediately. There is no fee for examination, consultation, or referral.

All full-time students are also enrolled in the Marist/St. Francis Student Health Plan. This is a program developed by Marist College in cooperation with St. Francis Hospital. It provides ambulatory treatment around the clock for medical problems unable to be treated at Health Services at St. Francis Hospital’s Emergency Treatment Center. This plan is extended to provide supplemental coverage to existing parent or individual health plans. All medical services beyond those which are provided by Health Services and the Marist/St. Francis Health Plan are the personal responsibility of the student.

When a medical problem of an emergency nature arises after Health Services hours, a resident student should contact the Resident Assistant or Resident Director to assure that the proper medical attention is acquired.

Please Note: New York State Public Health Law 2165 requires College students to demonstrate proof of immunity to measles, mumps, and rubella (German measles). Students will not be permitted to register for classes or remain on campus unless this information is provided to Health Services. Students are also required to complete the mandatory meningitis response form, which must be on file in Health Services.

COUNSELING SERVICES
The Marist College Counseling Center is dedicated to the provision of quality psychological services to our students. Our mission evolves from that of the College and the Division of Student Affairs: staff at the Center believes that intellectual and personal growth are inseparable and vital to the realization of the individual’s full potential. The three essential functions of the Counseling Center are the provision of counseling and preventative and developmental programs for the campus. Specific services include individual counseling, referrals, and workshops or training presentations. Examples of the latter include programs on relationships, stress, eating disorders, depression, interpersonal violence, and alcohol education. Special interest programs can also be created based on student need.

For personal counseling, students are encouraged to phone ext. 3314 or come to Donnelly Hall 226 to arrange an appointment.

The first session with a counselor is usually spent in a thorough exploration of the student’s presenting problem as well as other areas of the student’s life that are likely to be affected. A determination is then made as to how best to meet the needs of the student. If needed, community resources can be utilized. There is no charge for any services offered in the Counseling Center, nor is there a fixed number of sessions beyond which a student cannot be seen. However, due to limits of staff time and the academic calendar, counseling tends to be short-term.

The Counseling Center also provides confidential advocacy and support services to survivors of sexual or relationship violence.

Any information given in counseling, as well as the fact that the student has been seen at the Center, is kept strictly confidential. Disclosure to any person or agency requires prior permission of the student. However, should the life or safety of the student or someone else be in imminent danger, the counselor may be obligated to notify appropriate persons.

FIRST YEAR PROGRAMS
As part of Marist’s commitment to the successful adjustment and development of first year students into the college community, The Office of First Year Programs and Leadership Development (FYP & LD) helps students create a personal support structure centered on their academic careers. Each freshman residence hall has assigned live-in mentors, administrative professionals who assist students in successfully navigating their way through this critical time. The Assistant Director of FYP & LD serves as the mentor for commuter students and provides a lounge that provides a “home away from home” for nonresidential students. Through the individual attention of first year mentors, students benefit from enhanced academic counseling, life-skills training, social networking and other support services. Acknowledging that learning takes place inside and outside the classroom, innovative programs have been developed that integrate the social and academic dimensions of college life, which is a key element of the first year experience.

ORIENTATION
Orientation is the initial step to the first year experience at Marist. The program is designed specifically to help new students begin a successful academic and personal transition to college. Mentors, with the assistance of student orientation leaders, educate students and parents about the wealth of opportunities and resources available at Marist from the moment they step on campus. Our one-day
Orientation sessions take place during the first two weeks in June for students beginning in the fall semester and in January for students beginning in the spring semester. Orientation activities continue throughout the first year with a full Welcome Week of activities and other ongoing programs.

JUDICIAL AFFAIRS
The Office of Judicial Affairs is responsible for developing and administering a Code of Student Conduct that supports the College’s values, goals, and priorities. Marist College is committed to providing an environment that promotes academic learning, institutional and personal integrity, justice, and equality. The College considers all Marist students as partners in the responsibility of creating and maintaining that environment.

Utilizing an educational philosophy, the program informs students of their responsibilities as members of the community, involves students, faculty, and staff in administering the judicial process, and assists all members of the campus community to live and learn in an environment that is orderly, peaceful, and supportive of individual growth and development.

The Code of Student Conduct is distributed to all entering students. Copies are also available in Judicial Affairs, the Housing and Residential Life Office, Student Affairs, Student Government Association, and the Library. In addition, this document is on-line at the following address: www.marist.edu/campuslife/judicialaffairs/. Amendments to the Code of Student Conduct are made via the above-mentioned website. Although changes are rare, students are responsible for the information contained in this document. Therefore, students are advised to check this website on a regular basis for the latest information.

In order to facilitate traffic flow on Marist College property and to ensure unimpeded emergency response to the needs of the College Community, the following policies have been established:

Permits
Parking on campus is limited to those vehicles registered with the Office of Safety and Security and to which a Marist College parking permit has been issued. Permits must be displayed as required by the parking regulations. Vehicles without permits are subject to towing at the owner’s expense.

Vehicles parked in other than the lot designated will be treated as vehicles without permits.

All vehicles must be registered for the current school year.

When applying for parking permits the following documents are required:
(a) Driver’s license
(b) Vehicle registration

Marist College provides handicapped parking spaces throughout the campus. A student must have 30 credits or more to be considered a sophomore. Only vehicles exhibiting official state handicapped plates or official local government handicapped parking permits will be permitted to park in the handicapped parking spaces. The official plates and permits are recognized only when the operator of the vehicle is the individual to whom the plates/permits are assigned.

It should be noted that handicapped parking rules are enforced by the Town of Poughkeepsie Police Department as well as Marist College Security.

Freshman resident students are not permitted to have a car on campus. A student must have 30 credits or more to be considered a sophomore. Any exceptions must be approved by the Director of Safety and Security.

Resident Student Parking
There is a limited number of parking spaces on campus. Requests for parking permits will be approved on a space-available basis. Students are not guaranteed a parking space in the parking lot closest to their residence hall or townhouse. Vehicles must park only in the lot designated on the permit.

PARKING RESTRICTIONS
In addition to the above, the following parking restrictions apply:

Parking is not permitted in areas other than marked parking spaces. Parking in restricted areas subjects the vehicle to traffic citations, “booting,” and towing at the owner’s expense. Restricted areas include, but are not limited to, fire zones, no-parking areas, crosswalks, fire hydrants, handicapped zones, restricted-permit parking areas, and grass areas.

With the exception of resident-student parking areas, overnight parking is not permitted. PARKING ON ROADS OR SHOULDERS OF ROADS IS PROHIBITED.
