Consumer Information

Marist College believes in the principle of promoting access to information that will allow consumers to make informed decisions about post-secondary education. This page provides access to information required by the Higher Education Act of 1965 (HEA), as amended by the Higher Education Opportunity Act of 2008 (HEOA), that may be useful to students, parents, counselors, researchers and legislators.

For further information or to request a printed copy of any of the disclosures, please use the contact information shown on the right of the page containing the desired information.
