On behalf of the Marist College Alumni Association, we would like to welcome you to the Marist College community. As an incoming freshman, you are embarking upon an experience of a life-time, but even more so, you are joining a larger community of Marist students and alumni.

As a Red Fox you are joining a network of more than 31,000 Marist alumni. It is our sincere hope that you will use these new connections to help enhance your Marist experience. Alumni can serve as resources to students in a number of ways, especially academically and professionally. Take this time to connect with others, learn from alumni, and gain valuable insight and experience for the future.

We sincerely hope that you enjoy every moment here at Marist and we look forward to welcoming you to the Alumni Association in four years!

Sincerely,

Patrick Mara ’97       Amy Woods ’97

The Marist College Alumni Association Welcomes the Class of 2014!

On behalf of the Class of 2011 and the Senior Class Gift Committee, we would like to welcome you to Marist. As seniors, we are able to look back upon the phenomenal opportunities and experiences we have had, knowing that they were made possible, in part, through the generous gifts given to the Marist Fund by the many alumni who came before us. As you begin your Marist College experience, we urge you to take full advantage of all of the exciting opportunities that will be afforded to you. However, in doing so, we’d like to remind you of the critical role that philanthropy plays in higher education.

We wish you the best of luck as you begin your adventure here at Marist. This year, we will proudly make our first Marist Fund gift as seniors, in an effort to ensure that you too will have the same amazing opportunities that were available to us!
