Requirements to Participate in Clinical II Coursework

- A 2.5 grade point average in required science and math coursework (i.e. courses with a BIOL/CHEM/MATH/MEDT prefix)
- A minimum grade of C in each Clinical I course
- Proof of required vaccinations (see Chairperson, Department of Medical Laboratory Sciences, for health policy)
- A physical exam within six months prior to starting clinical rotations (see Chairperson, Department of Medical Laboratory Sciences, for form)
  (In addition, students beginning their clinical internships will be expected to complete orientations required by hospitals which may include but not be limited to security checks and drug testing.)
- Proof of health insurance coverage
