ResNet

Client Technologies

ResNet is a team of **Students** and **Staff** who assist ALL Marist students with connecting and staying connected to the network. This technically skilled group supports issues related to the campus wired and wireless networks; spyware, adware, and virus removal, as well as general computer troubleshooting. To learn more about ResNet, visit our webpage at: <http://resnet.marist.edu>. If you have questions, send us an email at resnet@marist.edu or call **(845) 575-3135**.

Why Buy Into the Marist ThinkPad University Program?

- Warranty repairs are done on-site at Marist in the ResNet office! We are a full-service repair shop for student owned ThinkPad University systems with a valid warranty.
- If you have an issue, there is no need to deal with calling, waiting, and being transferred to overseas Tech Support; just bring the ThinkPad to the ResNet office and let us handle it for you!
- If you purchase the optional Accidental Damage Protection (ADP) 4-year warranty upgrade, the ResNet office will deal directly with Lenovo on your behalf for accidental damage claims.
- Loaner laptops available for more lengthy repairs (while on-campus) — you will never be without computer access if your machine is under warranty!
- All our Repair Technicians are CompTIA A+ Certified and Lenovo Certified Professionals with over 2,500 hours of hands-on experience.
- Original software recovery services available on-site at ResNet.
- **FREE SHIPPING AND ACADEMIC PRICING ON ALL MODELS!** Free shipping applies at purchase and only in the continental United States.

If you decide not to take advantage of the Marist ThinkPad University Program, please make sure to bring a computer with these recommended specifications (or higher):

- | | |
|---|--|
| √ Windows 10 or macOS 10.14 (Mojave) | √ Gigabit Ethernet (wired) |
| √ Intel or AMD Multi-Core Processor (CPU) | √ 802.11ac compatible wireless card |
| √ 8GB RAM (memory) | √ Microsoft Office 365 University* |
| √ 256+ GB Solid State Drive | √ Marist's McAfee VirusScan Enterprise (Required)** |

*Microsoft Office comes pre-installed on TPU computers, but **you must purchase a license and activate the product** to use it. You can purchase a license for Microsoft Office 365 University at <http://mari.st/office365u>

McAfee VirusScan Enterprise is **provided by Marist College at no charge. This software comes pre-installed on all TPU models and is available for download at <http://resnet.marist.edu>
