The power of a global university …

- Opportunity for undergraduate research
- Professional and career-focused programs
- Top 10-ranked study abroad program
- Students from nearly every state in the U.S. and 50 countries abroad
- Global internships at fortune 100 companies
- Nationally recognized technology infrastructure
- Nearly 100% placement into job or graduate school
- Active, engaged, and successful alumni network

... with the personal touch of a leading liberal arts college.

- Small class sizes that encourage participation
- Faculty teach all classes. No graduate students or teaching assistants
- Innovative classroom experiences
- No lecture halls for introductory classes
- Strong sense of community
- Emphasis on character and values

From the moment they arrive on campus, Marist students experience an environment of caring that will stay with them for the rest of their lives.

“Marist is about broadening the horizons of your thought and leaving your comfort zone to challenge who you are and what your ambitions are in life.”

Charles Garcia ’16 | Psychology

The power of a global university ...
Marist provides tools, training and resources that will help you discover and connect your passion to your career path.

99% of our recent graduates (Class of 2015) were employed or in graduate school within 10 months of graduation. 78% of our students participated in one or more internships as part of their academic experience. 78% of our students are enrolled in a Marist Honors program.

Marist has been recognized in the 2015 Open Doors Report as one of the top 295 colleges in the world. Recognized by The Princeton Review as a "Best College" in the Regional/Universities category. Marist has been recognized among an elite list of 50 colleges in the U.S. for study abroad participation. More than 75 percent of Marist students receive a form of financial aid, and several scholarship programs are available to motivated students.

For a complete listing of Marist's majors and minors, please visit our website at www.marist.edu.

Marist in Brief

Marist College offers a variety of undergraduate programs and Certificates leading to Bachelor degrees, Master's degrees, and Certificates.

In addition to the comprehensive academic program, Marist College provides opportunities for students to pursue internships and co-op programs, participate in study abroad programs, and complete honors programs.

Marist College is a private, Catholic, coeducational, comprehensive university located in Poughkeepsie, New York. The College offers more than 100 undergraduate and graduate programs, including close to 50 majors and minors.

The power of a global university with the personal touch of a leading liberal arts college.

I applied to Marist as an "Undeclared" student. Working with my advisor, I was able to take a mix of courses in my freshman year that gave me the flexibility to discover interests that I hadn’t had the opportunity to explore in high school. I was able to declare a major and minor during my sophomore year and still stay on track to graduate in four years.
