| **EAS**
Educating All Students Test (201)         | EDUC 101, Foundations of Education
PSYC 207, Exceptional Child
PSYC 317, Child Development
EDUC 350, Teaching Language Arts
EDUC 351, Literacy, Learning & the Arts in Social Studies Curriculum
EDUC 373, Principles of Instruction          | As soon as you complete these courses, typically in the late sophomore year or junior year |
| **CST, Multi-Subject**
Part One: Literacy and ELA (221)
Part Two: Mathematics (222)
Part Three: Arts & Sciences (245)             | Core courses in literature, fine arts, math and science
EDUC 180 Concepts in Elementary Math
EDUC 323 and EDUC 324, STEM 1 and STEM 2
EDUC 351, Literacy in Social Studies and the Arts | As soon as you complete these courses, typically in the junior year                        |
| **CST, Disabilities**
Content Specialty Test for Special Education (060) | PSYC 372 Psycho-educational Assessment of Disabilities
EDUC 373, Principles of Instruction for Students with Disabilities
EDUC 374, Curriculum Strategies for Students with Disabilities | As soon as you complete these courses, typically in the junior year                        |
| **edTPA**
Teacher Performance Assessment               | This is a culminating assessment that measures knowledge and skills developed throughout the entire teacher certification program. It is previewed in PSYC 479, the Ed Psych Seminar, and guidance is offered during student teaching. | Senior year, during student teaching, and if possible during the first placement            |

You take the first three tests via computer, at a secure test site; each costs $110-130.
For the edTPA, which costs $300, you submit an extensive portfolio that includes two video clips of your teaching.
To find a test site and date, to register, and to access practice tests, go to

### Educating All Students Test – EAS (135 minutes)

This test consists of selected-response items and constructed-response items. Each constructed-response item will share scenario-based stimulus material with several selected-response items. Topics covered are diversity, ELL, special education, teacher responsibilities, and school-home relationships.

### Content Special Test – CST: Multi-Subject

- **Computer-based test (CBT)**
  - Part One: Literacy and English Language Arts (221): 40 selected-response items and 1 constructed-response item
  - Part Two: Mathematics (222): 40 selected-response items and 1 constructed-response item
  - Part Three: Arts and Sciences (245): 40 selected-response items

Parts One and Two each consist of selected-response items and one extended constructed-response item. The constructed-response item, designed to measure candidates’ pedagogical content knowledge, is scenario-based and requires an extended written response based on the analysis of multiple samples of student-based evidence. Part Three consists of selected-response items only.

### Content Special Test – CST: Special Education (195 minutes)

This test consists of selected-response items and one extended constructed-response item. Both types of items measure content knowledge and pedagogical content knowledge. The constructed-response item is scenario-based and requires the analysis of one or more artifacts (e.g., samples of student work, assessments, an excerpt from an Individualized Education Program form, teacher notes).

### edTPA

The edTPA is a portfolio-based assessment designed to assess practice-based skills that impact student achievement. There are three major tasks: Planning, Instruction and Assessment; candidates completing the Childhood assessment also have a fourth task based on mathematics instruction. To complete the edTPA candidates submit descriptions of their instructional contexts, lesson plans covering a 3 – 5 day learning sequence, videotapes of brief portions of those lessons, instructional materials and samples of student work, student assessments, feedback to students, and detailed analyses and reflections on the lessons.

**NOTE:** “Selected response” means multiple choice; “constructed response” usually means an essay of 200 – 300 words in 2 to 3 paragraphs; “extended written response” usually means an essay of about 600 words in 4 – 6 paragraphs.

Information about SAFETY NETS for all of the required certification tests can be found at: [http://www.highered.nysed.gov/tcert/home.html](http://www.highered.nysed.gov/tcert/home.html)
