# ResNet

## Client Technologies

---

ResNet is a team of **Students** and **Staff** who assist ALL Marist students with connecting and staying connected to the network. This technically skilled group supports issues related to the campus wired and wireless networks; spyware, adware, and virus removal, as well as general computer troubleshooting. To learn more about ResNet, visit our webpage at: [www.marist.edu/resnet](http://www.marist.edu/resnet). If you have questions, send us an email at [resnet@marist.edu](mailto:resnet@marist.edu) or call **(845) 575-3135**.

---

## Why Buy Into the Marist ThinkPad University Program?

- Warranty repairs are done on-site at Marist in the ResNet office! We are a full-service repair shop for student owned ThinkPad University systems with a valid warranty.
- If you have an issue, there is no need to deal with calling, waiting, and being transferred to overseas Tech Support; just bring the ThinkPad to the ResNet office and let us handle it for you!
- If you purchase the optional Accidental Damage Protection (ADP) 4-year warranty upgrade, the ResNet office will deal directly with Lenovo on your behalf for most accidental damage claims.
- Loaner laptops available for more lengthy repairs (while on-campus) — you will never be without computer access if your machine is under warranty!
- All our Repair Technicians are CompTIA A+ Certified and Lenovo Certified Professionals with over 2,500 hours of hands-on experience.
- Original software recovery services available on-site at ResNet.
- **FREE SHIPPING AND ACADEMIC PRICING ON ALL MODELS!** Free shipping applies at purchase and only in the continental United States.

---

**If you decide not to take advantage of the Marist ThinkPad University Program, please make sure to bring a computer with these recommended specifications (or higher):**

- |  |                                       |
|--|---------------------------------------|
| √ <b>Windows 11 or macOS 12 (Monterey)</b> | √ Gigabit Ethernet (optional)         |
| √ Multi-Core Processor (CPU)               | √ 802.11ac compatible wireless card   |
| √ 8GB RAM (memory)                         | √ Microsoft Office 365*               |
| √ 256+ GB Solid State Drive                | √ Any up-to-date anti-virus software* |

\* Microsoft Office 365 and McAfee Endpoint Security are provided by Marist College to all current students at no charge.
