

CAMPUS LIFE

STUDENT ACTIVITIES

The primary focus of Student Activities is to encourage all students to develop their intellectual, spiritual, cultural, social, vocational, and physical capabilities. The Office of Student Activities helps coordinate and promote leadership opportunities and a variety of programs and services to enhance community development at Marist. Organizations include student government, residence hall councils, co-curricular clubs, honoraries, social fraternities and sororities, publications, recreation, community service, and a variety of interest groups. These activities are an integral and vital part of the educational life of the College, sharing goals of academic and personal development.

STUDENT PROGRAMMING COUNCIL (SPC)

Student Programming Council (SPC) provides quality programming and entertainment to students and the Marist Community. SPC programming includes a variety of lectures, performing arts, comedy nights, movie nights, coffeeshouses, novelty performances, Broadway trips to NYC, and major concerts. The SPC Executive Board is responsible for program selection, marketing, advertising, ticket sales, and promotions. SPC membership is open to all student. SPC works directly with the Office of Student Activities.

RESIDENCE LIVING

Residing in College housing provides students the opportunity to experience living in a community dedicated to the academic and personal development of each member. **College housing is guaranteed for the first two years for students accepted as resident freshmen.** All students residing in college housing must be enrolled with a minimum of twelve credits.

Residence facilities are an integral part of the College, not only in the size of the resident population, but also in the educational experience which takes place therein. On average, approximately 70% of full-time undergraduates will live in College housing.

The buildings used for College housing vary in size and character, from traditional residence high-rise facilities to townhouse apartments. The range of housing accommodations includes rooms located along a common hallway with a common bathroom, suite style rooms with a shared bathroom and single rooms in new apartment residences. In order to provide an environment conducive to academic and personal development, a code of conduct and a corresponding norms structure are strictly enforced. The professional and paraprofessional staff is responsible for enforcing the code and norms in the residence halls. The Director of Housing coordinates the entire operation of the residence halls; the Associate Director, the Assistant Directors and Resident Directors have the responsibility of managing the daily operations of the residences; Assistant Resident Directors and Resident Assistants have the responsibility of seeing to the smooth running of the designated wings, floors, or apartments, primarily by enforcing the norms, acting as role models and leaders through developmental and recreational programming. All buildings are equipped with fire alarm systems. All systems are tested and inspected annually by a New York State certified fire alarm installer. All fire alarm systems are monitored 24/7 off campus by a central monitoring station as well as by the Safety and Security Office on campus. The college is equipped with fire sprinklers in most buildings and all systems are inspected quarterly in accordance with the Fire Code of New York State. As buildings are renovated or remodeled sprinkler systems are added per NYS Fire Code. All buildings are in compliance with NYS Building and Fire Codes. More information describing college housing facilities is available on the Housing and Residential Life webpage.

Residence assignments are, as a rule, made on the basis of double occupancy. The College reserves the right to require any student to live on campus.

Dining Services

Campus dining services offer high-quality foods and beverages with excellent service through retail, residential, and campus catering dining facilities. The

dining plans at Marist College offer the utmost in flexibility and value, with convenient, affordable, customizable options for all students, from resident freshmen to resident upper-class students to commuters.

Dining locations on campus open as early as 7:15 a.m. and close as late as 1:00 a.m. The main dining hall offers a wide variety of freshly prepared meals, utilizing local and regional ingredients when available. Retail locations offer convenient prepared meals and made-to-order takeout, with a variety of novelty and beverage items. Campus catering is also available for student groups, residence halls, and special events throughout the academic year.

For inquiries or information, we encourage you to contact our Dining Services Office at (845) 575-5100 or visit www.maristdining.com. Managers are on site seven days per week to answer your questions.

Participation Opportunities

Campus residence and class level determine which dining plan options are available to students. All resident freshmen are required to participate in the Carte Blanche Plan. Students returning as a sophomore, junior, or senior and residing in college housing are assigned to a campus dining plan based on their residence location. All residents housed as sophomores, excluding Marian and Mid-Rise halls, will be pre-enrolled in the Apartment 15 Meals Plus \$150 Thrifty Cash for the semester and must remain at a minimum in this plan. Residents of Mid-Rise and Marian Halls are required to participate in the Carte Blanche Plan.

All junior and senior students residing in College apartment housing will be assigned to the Apartment 15 Meals Plus \$150 Thrifty Cash, but have the option to withdraw from the plan if they choose to. Students residing in apartments may also select any dining plan beyond the minimum dining plan assigned to them.

Commuter and off-campus students also have the ability to select any dining plan offered.

RECREATION

Athletics

Marist's spacious campus includes a number of athletic facilities. On the south end of campus is the James J. McCann Recreation Center. This recreational facility was opened in 1977 and is the focal point for the majority of our athletic teams. In September 2011, an 11,660 square-foot addition to the south end of the McCann Center was completed. The facility is used exclusively by the men's and women's basketball programs and includes player lounges, a team film theatre, coaches' offices, video editing rooms and conference rooms. Improvements were also made to the McCann Center lobby, restrooms, playing surface, and seating. Two high definition video boards were added to enhance the fan experience on game days.

Adjacent to the McCann Center is the McCann Baseball Field and practice field. Tenney Stadium provides both chair-back and berm seating for spectators and is home to football, lacrosse and soccer. Along the banks of the Hudson River lies a twelve-acre parcel with a scenic river walk, a bulkhead and dock system, renovated green space, a gazebo, and new landscaping. Renamed Longview Park, this benefits the Marist men's and women's crew teams along with members of the community. The Gartland Athletic Field is a ten-acre area that services as the home for the softball program and provides intramural fields for students.

In December of 2000 a new sports medicine facility opened its doors, offering Marist student-athletes the best treatment available with top technological advances in equipment and modalities. A 500-square-foot taping and equipment room in addition to a 1,600-square-foot treatment center is located at the back of the McCann Center.

Along with the sports medicine facility, a 1,600-square-foot academic area opened its doors on the second floor of the McCann Center. This area houses the Director of Student-Athlete Enhancement and the staff and provides the athletes a state-of-the-art academic complex. This center is also used extensively for the NCAA Student-Athlete Affairs Program.

Marist offers a comprehensive intercollegiate athletic program. Men's varsity teams are offered in football, soccer, cross country, baseball, basketball, swimming and diving, crew, track and field, tennis, and lacrosse. Women's varsity teams are offered in volleyball, tennis, cross country, softball, basketball, track and field, crew, soccer, water polo, swimming and diving, and lacrosse. All of the varsity teams participate at the NCAA Division I level.

Numerous club sports are offered, including ice hockey, skiing, rugby, cheerleading, dance team, fencing, men's volleyball, racquetball, equestrian, and bowling.

The intramural program offers a variety of activities, including basketball, volleyball, softball, flag football, soccer, racquetball, tennis, running, women's lacrosse, dodgeball, and ultimate Frisbee. Programs can be added based upon student interest.

Throughout all levels of the physical education and athletics programs, the College emphasizes the physical, social, and recreational benefits to be gained through active participation. With these educational values in mind, the College fosters a program that encourages as broad a student participation as possible in the physical education programs as well as in the intercollegiate, intramural, and club sports offered.

MARIST WELLNESS CENTER (HEALTH AND COUNSELING SERVICES)

HEALTH SERVICES

Overview

Marist Health Services (MHS) is located in Room 352 of the Student Center. Services are available to all full-time undergraduate Marist College students. Health Services visits are covered by the student health fee paid with each semester's tuition.

MHS is open Monday through Friday from 8:30 A.M. to 7:00 P.M., and from 12 noon to 5:00 P.M. on Saturday and Sunday when classes are in session. Staffed by physicians, nurse practitioners, registered nurses, secretaries, and medical assistants, MHS provides evaluation and treatment of common problems such as acute illness and minor injuries. Students are seen on an appointment basis. Every effort is made to deal with urgent issues promptly. Emergencies or problems that are beyond the resources of MHS are referred to Mid-Hudson Regional Hospital or Vassar Brothers Medical Center Emergency Department (see below). Please call (845) 575-3270 for an appointment or information.

MHS can refer students and families to community health resources such as medical specialists, physical therapists, and dentists. Student health fees do not cover such visits. If you anticipate the need for special care, it is most efficient to begin by checking with your health insurance plan about coverage and any "preferred" or "in-network" providers in the Poughkeepsie area. MHS does not provide routine physical examinations or physicals for sports or activities.

Excuse Policy

Marist Health Services does not provide excuses for routine illnesses, injuries, and mental health problems that may lead to missed classes, labs, studios, exams, or deadlines. This policy resembles those of most other colleges and universities and is consistent with the recommendation of the American College Health Association.

Marist College expects that students will be honest with their professors regarding their ability to complete work, and professors are expected to work with students on these issues. Academic advising staff are available to provide assistance to students or faculty members who have concerns about attendance issues.

Absence of 4 days or longer

If a student has an illness or family emergency that will result in 4 or more days of absence, the student should contact individual professors as soon as possible, as well as the Center for Advising & Academic Services (CAAS), Donnelly Hall, Room 224, 845-575-3500 / 845-575-3502 Fax. www.marist.edu/academics/advise.

CAAS will need the student's CWID, the start and anticipated end date of absence, the reason for absence, and contact information. The office will send notification of absence to the student's professors and advisor. Documentation will be required from the student upon return.

Exit from the College for medical reasons

For extended absence due to illness, students should contact the Center for Advising and Academic Services (above) for guidance about Marist College Policies. Any student exiting for medical reasons will be required to submit medical documentation to the Wellness Center that clears them to return to the College. The Wellness Center will review this documentation. This must include a summary of diagnosis, treatment, ability to return and fulfill the academic requirements of enrollment, and any need for accommodation or ongoing treatment while at Marist College.

Pharmacy services

MHS maintains a stock of medications for emergency use. Students can fill prescriptions at the pharmacy of their choice. Contact information for several pharmacies accessible from campus is available in the Health Services Brochure at www.marist.edu/healthservices. Common over-the-counter medications are available for purchase at the Book Store on the ground floor of the Student Center.

Nutrition services

Consultation with a certified nutritionist is available on campus by referral from Health Services or Counseling Services Staff.

After-hours care

Resident students requiring medical care after MHS hours should notify the Resident Advisor, Resident Director, or Marist Security. Students are referred to Mid-Hudson Regional Hospital Emergency Department, 241 North Road, (845) 431-8220, which is across the street from the campus, or Vassar Brothers Medical Center Emergency Department, 45 Reade Place (845-431-5680). Such visits will be billed to the student's insurance.

Please Note:

New York State Public Health Law 2165 requires College students to demonstrate proof of immunity to measles, mumps, and rubella (German measles). Students will not be permitted to register for classes or remain on campus unless this information is provided to Health Services. New York State Public Health Law 2167 requires students to complete the Mandatory Meningitis Vaccination Response form, which must be on file in Health Services. Mandatory Health Forms for Incoming Students can be found at <http://www.marist.edu/healthservices/healthforms.html>.

FIRST-YEAR PROGRAMS AND LEADERSHIP DEVELOPMENT

As part of Marist's commitment to the successful transition of traditional-aged first year students into the college community, The Office of First Year Programs and Leadership Development (FYP & LD) offers undergraduate students a unique personal support structure centered on helping students reach academic, social, and personal goals which are critical to their success. To assist students in navigating their way through their first year of study, FYP Coordinators have offices in the first-year residence halls and typically live on campus providing accessible mentoring services. The Associate Director of FYP & LD is the mentor for our commuting students. The Associate Director's Office is located in the Student Center to offer commuters convenient access. In addition to administrative mentoring, FYP also runs a popular peer mentor program for both first year and transfer students. New students benefit from academic consultation, life-skills training, social networking, leadership development, and other personalized support services provided by the individual mentoring approach of their Coordinator and the personal development programs offered by this area.

ORIENTATION

Coordinated by the Office of FYP & LD, Orientation is the initial step in the first year experience at Marist. The program is designed specifically to help new traditional undergraduate students begin a successful academic and personal transition to college. First Year Programs staff, with the assistance of student orientation leaders, educates students and parents about the wealth of opportunities and resources available at Marist from the moment they step on campus. These one-day Orientation sessions take place during the first two weeks in June for traditional-aged undergraduate students entering in the fall semester. Orientation sessions are also provided for students new to the Marist campus in August and January. Orientation activities continue throughout the first year with a full Welcome Week of activities, workshops offered through the Personal Development Core, and other ongoing programs.

The School of Professional Programs coordinates a separate orientation for adult students. This program is designed specifically to address the interests of adult students on the Marist campus.

LEADERSHIP DEVELOPMENT

One of the biggest programs on campus, the Emerging Leaders Program (ELP) provides opportunities for traditional undergraduate students to gain the skills necessary to become influential leaders and develop into well-balanced citizens of the Marist and world community. Students can earn an annual non-credit certificate of completion by participating in a variety of programs and workshops designed to help them define, discover, and develop their leadership style. Marist also has an active chapter of the National Society of Leadership and Success on campus for ELP participants who want to further their leadership training while earning a National credential.

STUDENT CONDUCT

The Office of Student Conduct is responsible for developing and administering a Code of Student Conduct that supports the College's values, goals, and priorities. Marist College is committed to providing an environment that promotes academic learning, institutional and personal integrity, justice, and equality. The College considers all Marist students as partners in the responsibility of creating and maintaining that environment.

Utilizing an educational philosophy, the program informs students of their responsibilities as members of the community; involves students, faculty, and staff in administering the disciplinary process; and assists all members of the campus community to live and learn in an environment that is orderly, peaceful, and supportive of individual growth and development.

The Code of Student Conduct is distributed to all entering students. Copies are also available in the Office of Student Conduct, the Housing and Residential Life Office, Student Affairs, Student Government Association, and the Library. In addition, this document is on-line at the following address: www.marist.edu/studentlife/studentconduct/. Amendments to the Code of Student Conduct are made via the above-mentioned website. It should be noted that handicapped parking rules are enforced by the Town of Poughkeepsie Police Department as well as Marist College Security.

Freshman resident students are not permitted to have a car on campus. A student must have 30 credits or more to be considered a sophomore. Any exceptions must be approved by the Director of Safety and Security.
