The Marist Golf Club is comprised of 15-20 students that enjoy playing golf casually and competitively. The team typically competes in two tournaments per semester which are each held on weekends. Marist Golf is a member of the National Collegiate Club Golf Association (NCCGA) Metro Region which sponsors tournaments played over the course of two days; 18 holes per day. In addition to competitive tournaments, the club enjoys practicing and occasional inter-squad throughout the semester at McCann Memorial Golf Course. Interested students are required to tryout to determine skill and commitment levels.
