Marist Club Hockey offers students the opportunity to continue playing ice hockey at the collegiate level while attaining a first class education. Marist Hockey competes in the Division II American Collegiate Hockey Association (ACHA) and the Super East Collegiate Hockey League. Tryouts are held at the beginning of the fall semester to determine skill and commitment level. Practices are held on Monday and Thursday evenings at the Mid-Hudson Civic Center which also serves as the home ice rink. The season runs from the mid-October through the end of February.
