

MARIST

Summer 2019

Session II: July 14 - July 27

Welcome to the 2019 Marist Summer Pre-College Program. This summer we are excited to be working with students enrolled in 10 different programs; Creative Writing, Digital Media, Entrepreneurship, Environmental Science, Fashion Design, Fashion Merchandising, Game Design, Pre-Health, Pre-Law and Theatre. Although each program has a unique academic curriculum, much of the residential component will be shared by students in all 10 programs.

All students will be living in four person suites in Ward Hall located in the North End Housing Complex on the Marist College Campus. Ward Hall predominantly features 4 person apartments with single bedrooms, a shared bathroom and living space with a refrigerator. Ward Hall amenities include a large interactive community lounge on the first floor, community study lounges on each floor, two elevators, and a free laundry facility. Access to Ward Hall is card controlled. The Summer Pre-College Programs are staffed by a Professional Resident Director, Assistant Resident Director and student Resident Assistants. The staff will be living with you in Ward Hall and will be there to assist you with any issues, ensure your health and safety, and provide fun activities during your downtime.

Below you will find a chart which includes the schedule for **July 14th**. Due to the large number of students arriving for check-in, we ask that you please adhere to your scheduled check-in time.
