Subject: [MARFAC] Assessment Day

Faculty Colleagues,

Assessment is an integral part of the educational process, leading to institutional improvement and renewal. I look forward to the gathering of the Marist Faculty for Assessment Day, on April 17, 2021, beginning at 10 a.m.

The event will be conducted virtually as a webinar via Zoom. I will provide a short update on the state of the college, and this will be followed by presentations by: Sally Dwyer-McNulty on assessment of Core/Liberal Studies; James Snyder on the 2021-22 Common Read; Addrain Conyers and Marty Shaffer on the ad hoc committee on Diversity, Equity, and Inclusion in the Curriculum; and Carol Rinke on Marist's Middle States reaccreditation effort. Time permitting, there will be a question and answer period.

The morning session will conclude at around 11:30, at which time faculty will work with colleagues in their respective departments on programmatic assessment.

Pre-registration for the webinar is required. Please register by Friday using the following link.
