Subject: Share your thoughts on the Middle States Reaccreditation Process

Dear Marist Faculty and Staff:

As part of the ongoing Middle States Reaccreditation, we are soliciting input on key priorities for closer examination during the self-study process. We would like to thank those who already provided very sound insights during the listening sessions last week.

We encourage anyone who would like to contribute ideas for key areas of importance to please share your thoughts. You are invited to contribute promising directions or general comments via MiddleStates@marist.edu or through the Contact Us link on the new Middle States homepage at: <https://www.marist.edu/middle-states>. Both of these methods go directly to us to inform the self-study process.

We look forward to continuing to work together to craft these self-study priorities and a reflective accreditation process.

Thank you for the ongoing dialogue,
Thom Wermuth, *Vice President for Academic Affairs*
Carol Rinke, *Associate Professor of Education*
Middle States Co-Chairs
