

CHRIS' PLANT ORGANIZER LIST

Plants from "Creating a Pollinator Paradise" Rev 5/19/20

Type	Common Name	Botanical Name	Variety	Deer Rating	Native ?	Bloom Time	Color	Cultivation			Spacing		Benefits/Other Notes
								Light	Water	Nutri-tion	Height	Width	
Annual	Mexican Sunflower	<i>Tithonia rotundifolia</i>		A	SW	L	Red-orange	S	Dry	Poor	4-6'	1-3'	Good cut flowers
Annual	Spider Flower	<i>Cleome</i>		A	NO	M/L	Lav, Wh, Pink	S-PSh	Dry to Med		2-4'	18-24"	Good cut flowers
Annual	Swamp Milkweed	<i>Asclepias incarnata</i>		B	NE/SE	M	Mauve	S	Med to Wet		4-5'	2-3'	Fragrance
Annual	Zinnia	<i>Zinnia elegans</i>		B	SW	_	Var	S	Med	Humusy	1-4'	1'	Good cut flowers
Grndcover	Bugleweed	<i>Ajuga reptans</i>		A	No	E	Blue	S-PSh	Prefer Moist		6-8"	6-12"	
Grndcover	Periwinkle	<i>Vinca Minor</i>		B	No	E	Blue	S to Sh	Dry to Ave		3-6"	6-18"	Stabilizes soils on banks/slopes
Grndcover	Sweet Woodruff	<i>Galium odoratum</i>		A	No	E	White	PSh-Sh	Med to Wet		6-12"	8-18"	Fragrance
Perennial	Beardtongue	<i>Penstemon digitalis</i>	'Dark Towers'	B	US	M	C	S-PSh	Dry to Med		1-3'	1-2'	
Perennial	Bee Balm	<i>Monarda didyma</i>		B	US	M	Red	S-PSh	Med to Wet	Rich, humusy	2-4'	2-3'	<i>Monarda fistula</i> is lilac colored wild begamot
Perennial	Bergenia	<i>Bergenia cordiflora</i>		B	NO	E	Deep Pink	PSh-Sh	Med		12-18"	12-18"	
Perennial	Betony	<i>Stachys officinalis</i>	'Hummelo'	A	NO	M	Pink	S	Med		18-24"	18-24"	
Perennial	Blazing Star	<i>Liatris</i>		B	E/C	M	Lavender	S	Dry		2-4'	1-2'	Many species, all attractive to multiple pollinators
Perennial	Butterfly Weed	<i>Asclepias tuberosa</i>		B	E/S	M	Orange	S	Dry to Med	Poor	12-30"	12-18"	
Perennial	Catmint	<i>Nepeta x faassenii</i>		A	NO	M/L	Blue/Violet	S-PSh	Dry to Med		12-24"	18-36"	
Perennial	Crocsmia	<i>Crocsmia</i>	'Lucifer'	B	NO	M	Red	S	Med		30-36"	6bulbs / SF	
Perennial	Fall Mum	<i>Chrysanthemum</i>	'Single Apricot'	C	NO	L	Apricot	S	Med		2-3'	2-3'	Single bloom mums are more attractive to pollinators
Perennial	False Indigo	<i>Baptisia australis</i>		A	E	E	Blue	S-PSh	Dry to Med		3-4'	3-4'	<i>Baptisia alba</i> is white colored wild baptisia

Perennial	Geranium, Hardy	<i>Geranium x cantabrigiense</i>	'Biokovo'	B	NO	E	White w Pink	S-PSh	Med		8-12"	12-18"	
Perennial	Geranium, Wild	<i>Geranium maculatum</i>		B	NE	E	Pink to Lilac	S-PSh	Med		18-24"	12-18"	
Perennial	Goatsbeard	<i>Arunca Dioicus</i>		_	US	E	Cream	S-PSh	Med to Wet		4-6'	2-4'	
Perennial	Golden Alexander	<i>Zizia aurea</i>		_	E/C	M	Yellow/ Chartr	S-PS	Moist		1-2'	1-2'	Short lived but self seeds
Perennial	Goldenrod	<i>Solidago</i>		B	US	L	Yellow	S-PSh	Dry to Wet		2-4'	2-4'	
Perennial	Joe-Pye Weed	<i>Eupatorium</i>		A	E/C	M	Pink	S-PSh	Med to Wet		6'	1-2'	
Perennial	Lavender	<i>Lavandula</i>		A	NO	M	Lavender	S	Dry	Poor	1-3'	18-24"	Steep drainage nec for Zone 5 winter survival
Perennial	NY Aster	<i>Symphyotrichum novi-belgii</i>		B	NE	M	Clear Blue	S	Med		12-18"	18-30"	New England Aster is its tall (3-6') cousin
Perennial	Peony	<i>Paeonia</i>		A	NO	E	Var	S-PSh	Med		18-30"	18-30"	Fragrant; single bloom vars favored by more pollinators
Perennial	Peony, Woodland	<i>Paeonia japonica</i>		A	NO	E	White w Yellow	PSh	Med		12-18"	12-18"	Amazing seedheads in fall
Perennial	Purple Coneflower	<i>Echinacea purpurea</i>		B	SE	M	Purple	S-PSh	Dry to Med		2-3'	18-24"	Goldfinches love seeds in fall/winter
Perennial	Siberian Bugloss	<i>Brunnera macrophylla</i>		A	NO	E	Intense Blue	PSh	Med		12-18"	18-30"	
Perennial	Sneezeweed	<i>Helenium autumnale</i>		B	US	L	Yellow	S	Med to Wet		3-5'	2-3'	
Perennial	Solomon's Seal	<i>Polygonatum</i>		C	NO	E	White	PSh-Sh	Med to Wet		24-36"	8-12"	
Perennial	Spiderwort	<i>Tradescantia</i>		B	US	E	Deep Blue	S-PSh	Med		24-36"	18-30"	Flowers open early AM
Perennial	Swamp Sunflower	<i>Helianthus angustifolius</i>		C	US	L	Gold	PS	Prefer Wet		5-7'	4-6'	Special value to native bees
Perennial	Turtlehead	<i>Chelone lyonii</i>		C	SE	L	Pink	S-PSh	Med to Wet	Rich, humusy	2-4'	1-2'	<i>Chelone glabra</i> is wild white native
Shrub	Bottlebrush Buckeye	<i>Aesculus parviflora</i>		A	E	M	White w Red	PSh-Sh	Med to Moist		8-12'	8-15'	Good fall foliage (clear yellow)
Shrub	Highbush Blueberry	<i>Vaccinium corymbosum</i>		C	US	E	White	S-PSh	Med to Wet	Acidic, Peaty	5-7'	5-7'	Good fall foliage (red), winter interest (red stems)
Shrub	Koreanspice Viburnum	<i>Viburnum Carlesii</i>		B	NO	E	White w Pink	S-PSh	Med		4-6'	4-7'	Very fragrant
Shrub	Lilac	<i>Syringa pubescens</i>		B	NO	E	Purple	S	Med	Slightly alk.	6-8'	6-8'	More compact than common lilac, better fall color
Shrub	Peony, Tree	<i>Paeonia delavayi</i>		A	NO	E	Var	S-PSh	Med		3-5'	3-4'	Huge open blooms

Shrub	Rhododendron	<i>Rhododendron</i>	'Lee's Dark Purple'	D	NA	E	Purple	PSh	Med	Acidic	6-7'	6-8'	
Shrub	Rose of Sharon	<i>Hibiscus syriacus</i>		B	NO	M/L	Var	S-PSh	Med		8-12'	6-10'	Prune to shape in spring
Shrub	Spicebush	<i>Lindera benzoin</i>		B	US	E	Chartreuse	S-PSh	Med to Moist		6-12'	6-12'	Fragrance (all parts), good fall foliage (golden yellow)
Tree	American Linden	<i>Tilia Americana</i>		C	E/C	M	Pale yellow	S-PSh	Med		50-80'	30-50'	Fragrance
Tree	Birch	<i>Betula</i>		A	var	E	_	S-PSh	Med to Wet	Acidic, Fertile	40-70'	40-60'	Good fall foliage (yellow)
Tree	Crabapple	<i>Malus</i>		C	var	E	Deep Pink	S	Med	Acidic loam	15-20'	15-20'	Good fall foliage (yellow/gold), fruit
Tree	Eastern Redbud	<i>Cercis canadensis</i>		C	E/C	E	Pink	S-PSh	Med		20-30'	25-35'	Good fall foliage (pale yellow)
Tree	Eastern White Pine	<i>Pinus strobus</i>		B	E	_	_	S-PSh	Med	Acidic	50-80'	20-40'	
Tree	Japanese Lilac	<i>Syringa reticulata</i>		B	NO	M	Creamy White	S	Med		20-30'	15-20'	Strong fragrance, good street tree
Tree	Red Maple	<i>Acer rubrum</i>		B	NE/NC	E	Red	S-PSh	Med to Wet		40-70'	30-50'	Good fall foliage (red)
Tree	Red Oak	<i>Quercus rubra</i>		C	E	_	_	S	Dry to Med	Acidic, Fertile	50-75'	50-75'	Good fall foliage (var)
Tree	Serviceberry or Shadblow	<i>Amelanchier arborea</i>		B	NE	E	White	S-PSh	Med		15-25'	15-25'	Fragrance, good fall foliage (orange-red)
Tree	Shagbark Hickory	<i>Carya ovata</i>		_	E	E	Chartreuse	S-PSh	Med	Rich loam	70-90'	50-70'	Good fall foliage (yellow), nuts
Tree	Tulip Tree	<i>Liriodendron tulipifera</i>		B	US	E	Yellow	S	Moist		60-90'	30-50'	Good fall foliage (gold)

Rutgers Deer Resistance Ratings: (A) Rarely Severely Damaged (B) Seldom Severely Damaged (C) Occasionally Severely Damaged (D) Frequently Severely Damaged
