**Description:** This chart shows the education and employment placement outcomes secured by the Marist 2021 graduating class.

**Source:** Data was compiled by The Office of Career Services through outreach via phone call, email, social media, LinkedIn, and Post-Graduate Outcome Survey.

**Definition:** The knowledge rate is the percent of graduates for which the institution has reasonable and verifiable information concerning the students' post-graduation outcomes.

**Other Notes:** Student who received multiple degrees were tracked based on their highest degree. All data is self-reported. The employment category includes full time, part time, and temporary employment.

Undergraduates includes adult and traditional students.

**Data - as of 2/14/2022**
