Client Technologies

Client Technologies is a team of **students** and **staff** who assist ALL Marist students with connecting and staying connected to the network. This technically-skilled group supports issues related to the campus wired and wireless networks; spyware, adware, and virus removal; as well as general computer troubleshooting. To learn more about Client Technologies, visit our webpage at: marist.edu/clienttech. If you have any questions, send us an email at ClientTechnologies@marist.edu or call **845-575-3499**.

Why Buy Into the Marist ThinkPad University Program?

- Warranty repairs are done on-site at Marist in the Client Technologies office! We are a full-service repair shop for student-owned ThinkPad University systems with a valid warranty.
- If you have an issue, there is no need to deal with calling, waiting, and being transferred to overseas tech support; just bring the ThinkPad to the Client Technologies office and let us handle it for you!
- If you purchase the optional Accidental Damage Protection (ADP) 4-year warranty upgrade, the Client Technologies office will deal directly with Lenovo on your behalf for most accidental damage claims.
- Loaner laptops available for more lengthy repairs (while on-campus) — you will never be without computer access if your machine is under warranty!
- All our Repair Technicians are CompTIA A+ Certified and Lenovo Certified Professionals with over 2,500 hours of hands-on experience.
- Original software recovery services available on-site at Client Technologies.
- **FREE SHIPPING AND ACADEMIC PRICING ON ALL MODELS!** Free shipping applies at purchase and only in the continental United States.
