UNIVERSITY

Board Reports

Diversity, Equity & Inclusion

- Over the past week, Itati met with student Angelica Hibbert, a member of the food insecurity community, to discuss ideas and potential action plans for establishing a food pantry on campus. She also met with Alexandra Rossi and Dr. Andrea Matthews to plan our upcoming event in collaboration with the Hispanic Latino Club, which will take place on September 18th in celebration of Hispanic Heritage Month. She is currently working on the logistics for this event, including coordinating a specific dining hall setup, curating a special gourmet menu, and arranging for a select number of students to assist the dining hall staff in preparing the food. We are also gathering student-submitted recipes to be featured as part of the celebration. In addition, she facilitated dialogue between the SGA board, the DEI office, and the Hispanic Latino Club to discuss financial planning for event décor, including papel picado, and to ensure smooth communication across all parties. She is in the process of finalizing a regular board meeting schedule, which will most likely take place on Fridays, and she is setting up recurring meeting times with Dr. Antonio, Dr. Matthews, and her two deputies (pending appointment). Finally, she has begun communications with Bob and Becky regarding the Cultural Dinner Dance to initiate planning for this event as well.

Club Affairs

- Most of Alex's time this week was spent corresponding with prospective club leaders to organize meetings or otherwise help them with the club chartering process. Alex spoke with members of the Greek-American Society, Letters of Love, the Public Speaking Club, and Girl Gains, who are all at various points in the club chartering process. Additionally, he worked closely with Bob and Kelly in Student Activities to organize and operate the Club fair on Friday. Lastly his board meeting time was finalized to 5pm on Fridays, and his office hours to 2-4pm on Tuesdays, Thursdays, and Fridays. For next week, he intends to have at least one club present to the club affairs board during our first meeting on Friday. Also, he wants to reach out to the many people who expressed interest in joining the club affairs board via the sign ups at the club fair. The board could still use 2-3 more people to be more effective.

Safety & Security

-

Academic Affairs

- It was a busy week for John Genoni. He set up a meeting with Dabby Hines for Tuesday, September 2nd, to talk about advising. He also set up his monthly meetings with Carol Rinke, and his first one is on September 9th. John Genoni had a meeting with Kyleen Marin, the new director of Student Support and Advocacy. They talked about how people don't know about the resources on campus. They want to do a full-blown marketing campaign about resources and do a resource fair. John Genoni also met with Dr. Snyder. They talked about John getting involved in the Making Space events. They also talked about doing conferences in Kirk House bi-weekly. John is going to send Dr. Snyder a list of topics that they want to cover by Tuesday.

Athletic Affairs

Syrota - Fox Administration

- This week, Sarah met with Harrsion Baker and Stephen D'Alessandro to discuss future events and how SGA can help Marist Athletics. She also finalized her board and found my deputy, Olivia Michail. Lastly, the Friday night home opener football game was a success!

Student Well-Being

- Amanda has been focusing on recruitment for the board. She's begun outreach to students who expressed interest at the club fair and will continue following up to ensure we have a strong team in place this semester. In addition, she has scheduled meetings with Counseling Services and Health Services to discuss how the Student Well-Being Board can best support their efforts and connect students with resources. She has also reached out to Title IX to open communication and explore opportunities for collaboration.

Sustainability

- Megan has worked on recruiting students for my board and she will be conducting interviews this upcoming week. She hopes to start planning events and coordinating events with housing representatives. She will be working with Alexa on North End specific housing initiatives or events this upcoming future. Her office hours are Monday 5-8PM, and Th 9:30-10:30 AM, 1-3 PM

Communications

- Noelle had her first board meeting this week to lay down a good foundation for the year and get everyone acquainted. The Communications board is changing our weekly board meeting to Tuesdays 4-5 pm now, which is during Noelle's Tuesday Office Hours.
- This week, Noelle worked on flyers for the Elections Events coming up, but they are now going to have to be updated based on new locations/times. But they will be printed out and posted so students can come to the pop-up and know about our info sessions next week - she will post on Instagram for these on Friday and Monday. Noelle is super excited to collaborate with Veronica & everyone else, as they

Syrota - Fox Administration

now have the event planning form so all info can be in one place and I'll know what to include in promos.

- Clubs & Activities Fair was a huge success! She is really happy with how the info sheets came out and the volume of responses we got on our interest form! Throughout the semester, she is going to start converting the info sheets into Instagram posts so everyone can have a post. This coming week she is hoping to get everything super organized and start giving my board members some independent work so that the Comm & Engagement Board becomes stronger and more efficient.
- She will be working on a flyer for an upcoming Safety & Security town hall, as well as making a post for Jared & Vi for the Class of 2026 Instagram account. This week or next I will be working on everyone's business cards. The main focus right now is promoting election events.

Financial

- Griffin got some great interest from the activity fair and he will begin reaching out to prospective students today. He hopes to begin interviews this week and have decisions made by the end of the week. Otherwise, he had a productive meeting with Bob, Alex, and Kelli on Thursday and we have set up regularly scheduled times to meet.

Information

- Jared is waiting for his deputy to be appointed (Emily Ramirez). He is also working on Designating a “Club Technology Outreach” role to one of his general board members (Michael Ahmed). This role's primary focus is to assist in the work flow of getting clubs what they need from email and web services. Work this week for the board has been submitting tickets for access updates for Pre-Law Society, Marist Game Society, Men's Club Volleyball, and Math Club. Jared has submitted his CIO office hour times, which are on Tuesday 5-8pm, and Friday 11-2pm. The board is also working on requesting access

Syrota - Fox Administration

for SGA desktops for all necessary members. Jared walked around the club fair introducing himself to all clubs and checking in if they need a club email or updated access for new members. He's having all clubs reach out via the SGA.CIO@marist.edu this way both his deputy and board members are focused on club outreach and can help with the ticketing process. He has spoken to a few cabinet members, and most don't have access to their Marist.edu email, and he is going to start the process of submitting tickets for updated access this week.

Election Commission

- The Elections Commission Board met this past week and discussed the Fall 2025 Elections Calendar, and set shifts for the pop-up event this Wednesday. The board also discussed the changes made to the Election Bylaws, and rooms have been requested/booked for the election-related events.

Class of 2026

- The Class of 2026 board has met with Robert Lynch, Director of Student Activities, to discuss the schedule of upcoming senior class events. The Class of 2026 board will have regular meetings with the Director of Student Activities for the rest of the academic year, on a biweekly basis. The board plans to make the "maristclassof2026" Instagram account one of their primary ways to communicate with the senior class, posting more interactive content, such as concerns Q&A stories and posts. There is nothing else to report at this time.

Class of 2027

- The class of 2027 board is planning to meet on Tuesday this week to create a schedule for events, posts, and tasks to complete for this upcoming semester. The board also wants to welcome our new secretary Joey Gentile. The board has a few event ideas already and is looking to partner with other classes as well as different departments on campus.

Syrota - Fox Administration

Class of 2028

- The Class board of 2028 was unfortunately unable to meet this week due to changing schedules and the nature of add drop week. The board will however meet early next week to finalize plans for our first semester of events and initiatives, for which preliminary plans have already been drawn up.

Class of 2029

-

Chief Justice

-

Parliamentarian

- Neil celebrated the successful passing of an important amendment to the Bylaws, assisted with setting up, running, and deconstructing the Clubs and Activities fair, and wrote up appointment bills for multiple deputies.

Chief Archivist

- Cole is working on meeting with John Ansley from the library to build that relationship with him and the library in general. He is also working on building a month to month synopsis of achievement of this administration.

Event Planning Chair

- Veronica has locked down a date, time, and room for Bri's Safety & Security town hall (September 10th @ 9pm in Dyson lecture hall). She has also recruited for her board, and is currently in the process of contacting everyone who showed interest in joining. She will be conducting interviews this week & next week. She also spent time helping with the activity fair.

North-End Representatives

Syrota - Fox Administration

-
-

South-End Representatives

-
-

East-End Representatives

- This week Alexa talked with an RA in North End about some possible ways to collaborate with the RHCs in North End. Alexa is also working on setting up a time to meet with Megan to discuss some potential sustainable initiatives and events.
-

Distance Representative

-

International Representative

-

Commuter Representatives

-
-
