SPECIAL PROGRAMS AND PRESENTATIONS

Athletics at Marist

For students who want to continue their athletic involvement in college, or are just looking for a school with big spirit, join the Athletics staff in this session to learn more about Marist's D1 teams, club sports, many intramural offerings, and recreation activities.

Dining Services

Hear from dining services about new and exciting updates happening with campus dining, the unique options available to Marist students, and Gourmet Dining's commitment to serving the needs of students with food allergies and specific dietary needs.

Enrolled Student Celebration

Meet up with other students and families who have officially secured their spot in the Marist Class of 2030! Admission staff and current students will also be there to break the ice and answer any questions. Feel free to drop in as you please!

First Year Abroad Informational Receptions

If you are looking for an opportunity to distinguish yourself from your peers, gain a greater understanding of the world in which you live, and secure memories and experiences that will last a lifetime, then come learn why one of our unique First Year Abroad programs could be right for you. Join us to hear from faculty and staff who work in Dublin and Florence, and from current and former First Year Abroad students and parents. Refreshments will be served.

The First Year Experience

Learn more about what to expect after committing to Marist. Participants will hear not only about next steps, but also about resources and support provided by the faculty and staff for a successful academic and personal transition to the Marist community during your first year.

Honors Program

Learn about Marist's highly selective Honors Program and the distinctive academic opportunities available for Honors students such as hands-on research and collaboration with faculty, special topic courses, personalized advising, and Honors housing.

Internships, Career Connections and the Power of the Marist Network

This interactive panel brings together students, alumni, and our Career Services team to share how Marist

students tap into an alumni network that is eager to open doors and help them land meaningful internships and job opportunities. Hear real-life success stories and learn more about the personal support and mentorship through the Center for Career Services.

Life in Italy: Four-Year Bachelor's Degree Programs in Florence

For students admitted to our bachelor's degree programs in Florence, Italy, come learn more about the residential life and student experience in Italy. Current Florence students will Zoom in to answer your questions, and faculty and staff will be available to talk about the many aspects of student life in Italy.

Marist Momentum Showcase

A walk-through exhibit that shows exciting upgrades and innovations happening at Marist right now—from new academic programs to enhanced student spaces—and how the Class of 2030 will benefit from those investments.

Music at Marist

Want to continue your musical pursuits in college? Hear from the Music Department about getting involved in our musical organizations, including Singers, Band, and Orchestra, as well as our academic music minor.

Student Life Panel

Enjoy hiking? Want to catch a Broadway show? How about running for Student Body President? Current students give the inside scoop on the student life experience in this interactive session!

Study Abroad Opportunities

Learn how the nationally recognized Marist Abroad Program can help you enhance your educational experience. Hear about what it's like to live and study at 80+ sites across the world, including our Florence, Italy campus.

Transfer Student Meet and Mingle

Join us for an opportunity to meet the Transfer Admission Team and current transfer students. Bring your questions about your acceptance, transferring credits, life at Marist, etc.!

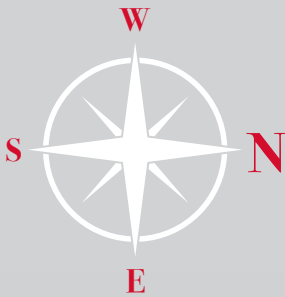

The Value of a Marist Education

Learn more about the distinctive opportunities and experiences which give Marist students a strong foundation for a lifetime of success.
