UNIVERSITY

HUDSON VALLEY SCHOLARS

Where local talent meets big possibility.

For more than 25 years, the Hudson Valley business community has fueled opportunity by investing directly in local students who rise, lead, and give back. The Hudson Valley Scholars Program expands access to a Marist education for promising students across the region, helping remove financial barriers and strengthening the future workforce of our community.

HOW THE PROGRAM WORKS

*Businesses invest > Students thrive >
The Hudson Valley grows stronger*

Your support directly funds scholarships for students from Hudson Valley high schools. Every sponsored scholar receives meaningful aid that reduces financial burden and expands what's possible during their time at Marist, including internships, athletics, and student organizations.

SCHOLAR SPOTLIGHT

A Scholar > A Leader > A Local Success Story

Each year, Hudson Valley Scholars bring talent, heart, and determination to Marist—whether they're first-generation students, academic standouts, emerging leaders, or future innovators. Their success is powered by the belief and investment of businesses across our region.

“

“As a first-generation college student, your donations have made it so I could get a degree and feel confident accepting my offer to Marist. I felt like all of my hard work was finally paying off.”

Dreema Manganiello '26

IMPACT AT A GLANCE

275+
SCHOLARS

Every year bright, motivated students from across the Hudson Valley receive scholarship support.

6
COUNTIES REPRESENTED

Invest in Local Talent. Transform the Hudson Valley.

YOUR LEADERSHIP CREATES IMPACT THAT LASTS

Supporting the Hudson Valley Scholars Program does more than cover tuition — it transforms trajectories. Your investment empowers students to pursue rigorous academics, immerse themselves in campus life, and graduate ready to contribute to the vitality of the Hudson Valley and beyond.

LEADERSHIP LEVELS

Every gift of \$1,000 sponsors one scholar who is paired with the supporting business. Each year, supporting businesses are welcomed to a reception where they can meet their sponsored students and connect with the broader community of businesses backing Hudson Valley Scholars.

Every year, leadership donors make it possible for more students to access a Marist education and achieve their goals. These leadership tiers recognize the local businesses whose generosity fuels the program:

- > **Business Sponsor** | \$1,000–\$2,499
- > **Founder's Society** | \$2,500–\$4,999
- > **Hudson Society** | \$5,000–\$9,999
- > **Greystone Society** | \$10,000+

WHAT YOUR SPONSORSHIP SUPPORTS

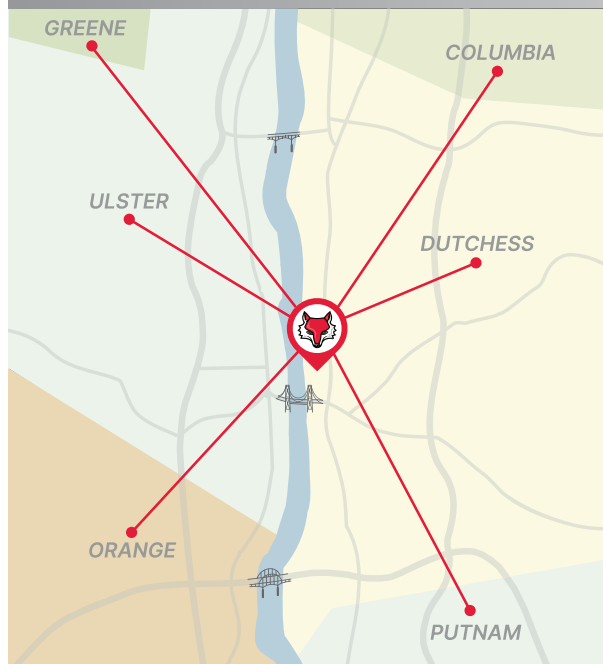

Access > Affordability > Ambition > Achievement

Your gift directly supports:

- > *Scholarships for students who reside in the region and are enrolled at Marist*
- > *Greater access for first-generation and underserved students*
- > *Commuter students who live and work in the region*
- > *Opportunities for students to engage fully in academics, athletics, and campus life*
- > *A stronger pipeline of educated, community-minded leaders in our region*

A REGIONAL IMPACT

Support for Hudson Valley Scholars spans six counties and all industries, with businesses from every sector across the region contributing.

“

“The Hudson Valley Scholars Program at Marist has done an excellent job of improving people’s lives by making a college education possible for local high school graduates. We are proud to support those efforts as part of our commitment to support all of our shops’ communities.”

Susan Dake, President of the Stewart’s Foundation
