

## Welcome Announcement

Dear Philosophical Perspectives students,

Welcome to PHIL 101. I am the instructor for this course, and I look forward to working with you over the next several weeks.

I invite you to read my [faculty biography](#) to learn more about my teaching methods and my approach to philosophy.

This course will introduce you to the nature and scope of philosophical inquiry. We will examine some main philosophical questions that underlie all other disciplines in the college curriculum.

The weekly readings for this class will be available on Brightspace. They will be embedded within each weekly Brightspace unit.

### Important Notes, Dates & Times to Remember

- **Reliable internet connectivity is a requirement for all 5 weeks of this course.** Being away for a few days without an internet connection will not bring you success in the class, so please plan accordingly.
- Lessons and assignments will be posted every Saturday by 9 AM, ET. If you have any questions, please email me: [Alessandro.MoscaritoloPalacio@marist.edu](mailto:Alessandro.MoscaritoloPalacio@marist.edu)

I look forward to our semester together.

Best wishes,

Professor Moscaritolo Palacio
