# MARIST COLLEGE MISSION

*"Marist is dedicated to helping students develop the intellect, character, and skills required for enlightened, ethical, and productive lives in the global community of the 21st century."*

## VALUES STATEMENT

The College fulfills its mission by pursuing three ideals: excellence in education, a sense of community, and a commitment to service. These ideals were handed down to us by the Marist Brothers who founded the College. Now an independent institution governed by a lay board of trustees, Marist continues to embrace the three ideals as an integral part of the College mission.

## EXCELLENCE IN EDUCATION

Marist achieves its ideal of excellence in undergraduate, graduate, and professional education by actively engaging each student through exemplary teaching and distinctive learning opportunities.

At the undergraduate level, this begins with a firm foundation in the liberal arts and sciences. Through the core curriculum and major fields of study, students learn to think logically and creatively, to synthesize and integrate methods and insights from a variety of disciplines, and to express themselves effectively orally, in writing, and through media. Students consider the ethical dimensions of the subjects they study, and become more aware of their own values, the values of others, and the implications of the choices they make in their public and private lives. They explore diverse cultures through coursework, extracurricular programs, international study, internships, and service opportunities. Students in all programs learn critical thinking and problem solving skills requisite for effective leadership in a complex and diverse society.

The Marist ideal of excellence in education finds distinctive expression in programs tailored for the graduate and adult learners the College has long served. Study at the graduate level emphasizes breadth and depth of knowledge for career development. In a climate of collegiality, students refine the intellectual and personal qualities they need to contribute to their fields. Graduate, undergraduate degree completion, and professional programs are designed to accommodate the needs of adult students to balance education with work and family responsibilities. Maintaining the high standards that characterize all educational offerings, Marist presents programs for adult students in alternate locations, formats, and methods of delivery.

A distinguishing feature of the Marist education is the manner in which information technology is used to support teaching, learning, and scholarship. The College, a leader in educational applications of information technology, offers students access to advanced technologies to help them develop as lifelong learners and productive members of their communities. Technology resources are combined with flexible and innovative program formats to expand access to higher education for all students.

## A SENSE OF COMMUNITY

The Marist ideal of community is based on the belief that we become a better institution through the active involvement of faculty, staff, students, and alumni in the life of the College. Seeking to create relationships that will last a lifetime, we nurture the well-being and development of all our community members and cultivate their bonds with the College and each other. Marist encourages students to collaborate with faculty and staff on research, creative, and service projects, and to share the results of their work with a wider community of scholars. We take particular care to ensure that student activities build a sense of community while supporting educational goals. We are a diverse community united by a shared commitment to the free exchange of ideas, consideration of the opinions of others, and civility in all our interactions. As members of the global community, we are committed to the collective stewardship of our environment.

## A COMMITMENT TO SERVICE

The Marist ideal of service is predicated on our belief in the dignity and value of every human being. The College sponsors and supports programs to meet a wide variety of community needs, and to offer broadened access to education. We encourage students, faculty, staff, and alumni to make service an important part of their lives. Both individual students and student organizations engage in service activities, including programs that assist those in need, projects throughout the Hudson River Valley, and other humanitarian initiatives around the world. By sharing their time and talents, students help make Marist a better place to live and learn while developing a sense of personal responsibility and civic engagement.

## OFFICE OF DIVERSITY, EQUITY, AND INCLUSION (DEI)

### **Our Mission**

The Office of Diversity provides leadership and educational resources for empowering Marist College to infuse and embed Diversity, Equity, Inclusion, and Belonging into all its structures, programs, relationships, policies, behaviors, and practices.

### **Our Vision**

To enhance the transformation of Marist College into a relationship-rich community characterized by Diversity, Equity, Inclusion, and Belonging.

At Marist, Diversity, Equity, and Inclusion instills in students the ability and confidence to learn about different cultures, experiences, and perspectives. It prepares them to live in community with people from different backgrounds, to be open-minded, and to engage with social differences on and off campus.

The Office of Diversity, Equity, and Inclusion works collaboratively with everyone on campus to foster a welcoming and inclusive environment in which students, faculty, and staff have a strong sense of belonging.

### **What we Do**

- Support the Diversity, Equity, and Inclusion (DEI) agenda of the college.
- Facilitate the ongoing creation of an inclusive campus environment.
- Enhance community and sense of belonging for students, faculty, and staff.
- Provide DEI opportunities for learning and growth.
- Enable students, faculty, and staff to communicate across social and cultural differences.
- Facilitate diversity-centered dialogues, story exchanges, and challenging conversations.
- Work collaboratively to infuse Diversity, Equity, and Inclusion into college policies, processes, and structures.
- Create and offer resources for students, faculty, and staff.
- Encourage and empower faculty, staff, and students to engage with Diversity, Equity, and Inclusion programming.

The Office of Diversity at Marist is committed to Equity, Inclusion, and Belonging. We honor, respect, and celebrate the abundance of ethnic, racial, sexual, and many other identities that make up Marist College. We foster an inclusive community by promoting antiracist practices, rejecting antisemitism, affirming different abilities and disabilities, and by upholding and insisting on the rights of women and LGBTQ+ communities and families. We celebrate religious differences and welcome international students, faculty, and staff. We acknowledge and value the service of veterans. We recognize the humanity of the undocumented and those who subscribe to different perspectives. We seek justice for the socially and economically marginalized. We engage in sustainable practices.

The Office of Diversity, Equity, and Inclusion welcomes everyone to visit our office. We are open Monday through Friday 8:30 am – 5:00 pm. Feel free to stop by the Lowell Thomas Building, Room 107, call 845-575-2349, or email us at

## Academic Support Programs

- **FOCUS Program:** This is a year-long, academically based freshman success program primarily for students who are undeclared or exploring their major options. FOCUS provides resources and information for first year students to assist them in making a successful transition from high school to college and in making informed choices about their course of study and future career options. (3 Liberal Arts credits in fall and 1 credit in spring).
- **Private Tutoring:** The Academic Learning Center trains and assigns peer tutors for students in need of individualized help. (Minimal fee involved).
- **Academic Review or Drop-in Sessions:** The Academic Learning Center sponsors review and drop-in sessions in various subjects for students in need of help. (Free service).
- **Proofreading:** Trained writing tutors review student papers both as a drop-in service or on-line, via iLearn. (Free service).
- **Majors Fair:** This annual fall event brings together representatives from all majors, minors and certificates offered at Marist College. Students are given the opportunity to speak with Deans, faculty and upperclassmen in their major areas of interest.
- **Advisement for Undeclared Students:** All undeclared students are advised through the Academic Learning Center.
- **Academic Learning Center iLearn Site:** This joinable iLearn site contains links to websites and documents supporting time-management skills, study skills, note-taking strategies, stress management, etc.
- **Writing Placement:** The ALC places all incoming freshman into the appropriate writing course in order to prepare students for success in academic writing.
- **Social Media Accounts:** These accounts disseminate information on support and retention programs:  
Twitter: @MaristALC                      Instagram: @marist\_alc                      Facebook: Marist Alc

(See back for ALC courses)

## Academic Learning Center Courses

- **Critical Reading & Thinking:** This course is designed to develop the critical and inferential reading skills required in all college work. Using college-level reading materials in various genres and disciplines, the student will practice principles of analysis as well as comprehension of content. (1 credit)
- **Intermediate Writing for College:** This course is specifically designed to prepare the student to do well in Writing for College. Activities will consist of exercises in mechanics of writing as well as basic organization. Reading skills will also be a part of the instruction. Students are recommended for this course based on writing and reading scores on standard college entrance examinations. (3 Liberal Arts credits)
- **Self-Development:** Exposes students to a practical self-management model that enables them to increase academic and personal achievement in a college environment. (3 Liberal Arts credits).
- **Career Planning and Decision Making:** This course helps students identify and discover career-related skills, interests, personality styles and possible career paths related to majors at Marist in order to help the student focus on career plans. (1 credit)
- **Transfer Seminar:** This one-credit course addresses the unique needs of the Marist transfer student. This course will include the common reading for freshmen students and FYS workshops on information literacy, presentation skills and critical thinking. Other topics covered will include transition issues, information on schools, majors, minors, the Core, Pathways, etc. The students will become familiar with web-based registration, student support services, information on the Center for Career Services, Student Financial Services and student organizations. (1 credit)
- **The College Experience:** This course addresses the needs of freshmen who have not declared a major. Topics include transition issues; information on schools and majors, and the Core; time management and study skills. The course requires participation in the Majors Fair and/or a cultural event. Students will become familiar with web-based registration and student services. Presentations from the Center for Career Services and Marist International Programs are also included. (1 credit)

---

Whether this is your first experience sending a student off to college or your last, we understand the magnitude of the journey. Students will now assume responsibility for their academic, social, and often, financial well-being. As daunting as that might seem, please note there varying support services at Marist that will assist students in their journey.

The **Center for Advising & Academic Services (CAAS)** mission fosters student success via programs, services, resources, and referrals designed to help students develop skills that empower their educational, career, and life goals.

## Services CAAS Provides:

- Support **students in academic risk** by issuing warning letters for low mid-term grades, conferring with faculty regarding student academic progress, placing students on probation for poor academic performance, and processing academic dismissals when a student has fallen below the College's standard.
- Process **notifications** in the event of a crisis, such as a death in the family or a documented illness, where the student will be absent from class for four or more consecutive days.
- **Process leave of absence and withdrawal requests** from the College.
- Review **credit overage** requests.
- Review **appeals** of academic calendar deadlines.
- Provide **academic consultation**.
- Process the **Dean's List**. This is inclusive of placing a notation on the student's transcript, mailing a letter, a certificate, and posting the list of students who have achieved this honor online on the Marist website.
- Assign a skilled **academic advisor** supported by CAAS, based upon area of study, to provide assistance in helping your student design the most meaningful academic program. Marist provides an advising system, which requires students to meet with their advisor(s) for course registration, course withdrawals and long-range planning. (Note: CAAS makes an initial assignment, but students in most majors can request to change their advisor).
  - College academic advisors are very different from high school guidance counselors. Advisors provide input and make suggestions, but it is up to your student to integrate the advice they receive and to leverage it to his/her best advantage. Encourage your student to be aware of the choices they are making because, ultimately, they are responsible for those choices. We encourage you, as parents or guardians, to underscore the importance of the advising relationship and to urge your student to make every effort to get to know their advisor and establish a close working relationship.
- Maintain the **my.Marist advising portal**. Every Marist undergraduate student has access to an advising portal as a drop down from the Student tab in my.Marist. In this portal, they have access to many advising resources, including our Twitter feed, their advisor information, and various important documents including the Academic Advising Planner, the First Year Advisor and monthly newsletters.
- Produce the **Academic Advising Planner (AAP)**. The AAP is a student's go-to preparation tool that will set common ground with regards to the academic experience at Marist, and will assist them in planning their academic career and life after Marist. The planner is designed to strengthen the advisor/advisee relationship, allowing time for more productive discussions on the impact of college on career. Students are encouraged to use it to stay on track, learn the campus, and effectively plan their academic steps at Marist. Students can find the AAP in the my.Marist portal, where they can save the AAP to their computer and personalize it.

The staff at CAAS welcomes our newest students and looks forward to an exciting and successful academic year. Best wishes to all incoming students and their families!

# The Center for Career Services

James A. Cannavino Library - Suite 332

Phone: 845-575-3547

Web: [www.marist.edu/academic-resources/career-services](http://www.marist.edu/academic-resources/career-services)

## Your role as a parent

You should encourage your student to visit Career Services early in their Marist experience. The Center for Career Services offers many programs to help students with internships and their post-Marist plans, whether it be the world of work or graduate school.

Our goal is to help students prepare for their career. Many students will face important decisions as soon as they arrive on campus that can affect their choice of major and future career plans. The staff of Career Services can work with your son or daughter to assist them with their decision making and help them develop a career success plan.

## What is the central mission of Career Services?

The Center for Career Services offers appointments for Marist College students and alumni for the following aspects of professional development:

- Career Coaching
- Cover Letter Assistance
- Employer and Alumni Connections
- Gap Year/Alternative Career Options
- Graduate School Advisement
- Internship Opportunities
- Interview Preparation
- Job Search
- Resume Review
- Scholarship & Fellowship Advisement

## Will my son or daughter be required to visit the Center for Career Services?

It is recommended that students visit the Center for Career Services at several key times during their Marist experience. We believe that students need to work collaboratively with their faculty, advisors and the career services staff to develop a plan for their post-Marist lives. Career choices should be carefully thought out and a plan needs to be developed and set in motion to achieve a student's goals. Beginning with New Student Orientation, the Career Services staff will reach out to new students. We encourage new students to attend and participate in our Career Fairs, and Networking and Information Sessions. We suggest that you encourage your son or daughter to drop in and get acquainted. As your student looks at a summer job next year, encourage them to visit Career Services and get that first "real" resume prepared. That initial resume will be the first step in their career preparation.

## Which programs/services would you recommend to a first-year student?

The first year is an excellent time to begin exploring potential career areas and, if a student is undeclared, potential majors. FOCUS2, an online career assessment and research tool linked to our website, assists students in understanding their interests, values, abilities, and personality as they relate to majors and careers. Attendance at career workshops and panels is also an excellent idea. The career fairs held each fall and spring present excellent opportunities for students to interact with recruiters, company representatives, and Marist alumni. Students are encouraged to ask questions and learn about potential internships and employment. The freshman year is also a very good time to take a Career Planning & Decision Making course (see below).

## Does Marist offer career planning courses?

Two, one-credit courses are currently offered: *Career Planning & Decision Making* (recommended for first-year and sophomore students) and Employment Practicum.

## Will Career Services help my student find an internship?

If your student is enrolled in a curriculum that requires an internship, they will work with their Internship Faculty Coordinator to identify and register the opportunity. Students enrolled in a major without a curricular requirement may participate in an elective credit or paid internship. Career Services assists students in locating both paid and elective internship opportunities. At Marist, students generally must have completed 60 credits (transfers must have completed 12 credits at Marist) prior to beginning a credit-bearing internship. A 2.5 GPA must be maintained in order to apply for internships. However, some academic departments have additional requirements. More details about the Internship Program can be viewed on our Web site at

<https://www.marist.edu/academic-resources/career-services/students/internship> Link was broken - fixed

## Road to the Workplace Trips and Career Events for Students:

Throughout the year students have the opportunity to visit employers on a Road to the Workplace trip. Key employers, many who are Marist alumni, have invited select groups of students to their worksite to learn about a specific industry and career path. Some Road to the Workplace trips take place in New York City, Hartford, Connecticut, Jersey City, New Jersey, and Washington, D.C., and often include an opportunity for students to network with professionals in various career clusters. Employers often connect with students through Informational Sessions, Interviews, and Career Fairs. These are great opportunities for students to network and learn more about career paths in a variety of industries.

Professional attire is strongly encouraged for participation in Career and Internship Fairs and Interviewing and Networking events. We believe in the importance of a great first impression. Please remind your son or daughter to bring to campus an outfit appropriate for participation in professional career events. Career Services staff are also available to assist with recommendations for interview attire and etiquette, which varies depending on industry and company.

## Does Career Services help students find jobs after graduation?

In reality, the job search should begin well before graduation. Our emphasis is on providing students with the tools and skills needed to complete a successful job search and also to provide opportunities to connect with prospective employers. We provide virtual and on-campus interview events and experiences. We work collaboratively with employers, associations and recruiting consortia to expose our students to varied employment initiatives. In addition we have an active Alumni Career Network that will enable students to speak with Marist graduates currently working in their chosen fields. The Career Services Staff continues to attract new employers to our campus. The Marist brand continues to be highly regarded among prestigious employers.

# **What about graduate study and fellowships/scholarships?**

Career Services has one staff member dedicated to assisting students as they determine whether or not to attend graduate school, search for schools and programs, apply to schools, and take entrance examinations, etc. An annual Graduate School Forum brings graduate school representatives to campus to discuss their programs. . Individual assistance with identifying and applying for national and international fellowships and scholarships is also available.

# The Center for Multicultural Affairs

## What is the Center for Multicultural Affairs (CMA)?

The Center for Multicultural Affairs (CMA) is an academic support and access department at Marist College. The CMA strives to engage the Marist community in events and activities that highlight diversity and multiculturalism creating a climate of access, equity, and inclusion that celebrates the rich contributions of all cultures, and empowers students to achieve academic success by preparing them to become engaged global citizens.

Specifically, the CMA

- Administers academic support services to ensure students growth as scholars and global citizens by assisting them in developing successful study habits, cultural awareness, self-identity, and goal setting strategies..
- Organizes programs and activities to assist all Marist students in making a successful and enriching cultural transition to the Marist campus environment.
- Advocates in the interest of first generation, foster youth, racial/ethnic or otherwise underrepresented students in areas of personal, social, and cultural development.
- Offers the opportunity for students to develop academically and socially by providing support in areas of leadership development, cultural identity, self-identity, career exploration and goal setting for the future.
- Provides support to student groups and culturally focused clubs.
- Serves as a resource for faculty, students and staff on issues of identity, cultural and socio-economic diversity.
- Conducts workshops and activities to support the learning process of first year students in the First Year Seminar course.

## What is the Center's background and what programs does it house?

The Center for Multicultural Affairs was created in September 2008 to meet the growing needs of a changing college population. CMA houses the:

- *Academic Enrichment Program*, which provides direct support services to *First Generation* college students and/or ethnically underrepresented students including the Hearst Foundation Scholars and Academic Enrichment Scholars.
- *Arthur O. Eve Higher Education Opportunity Program (HEOP)*, which administers a comprehensive academic support services program designed for New York State residents, the HEOP program is jointly sponsored by the College and the New York State Education Department.
- *Foster Youth College Success Initiative (FYCSI)*, program established specifically for New York state students who have experienced foster care or are eligible orphans. FYCSI students at Marist receive a broad range of innovative academic support services. The FYCSI program is jointly sponsored by the College and the New York State Education Department.
- *Cultural Enrichment Program*, serving as a resource to faculty, students, and staff on issues of cultural and socio-economic diversity and sponsoring events in observance of various cultures.

## **What services can all traditional undergraduate students receive?**

- ✓ Educational programming
- ✓ Cultural observances and appreciation
- ✓ Training on diversity and social justice issues
- ✓ Cultural networking

## **How can I secure these supportive services?**

The Center for Multicultural Affairs welcomes everyone to visit our department during business hours. We are located in the Cannavino Library, Suite 337 and are open Monday to Friday from 8:30am – 5:00pm. You can also reach us by phone at 845-575-3000 x 3204-3204 or email [multicultural@marist.edu](mailto:multicultural@marist.edu).

## **How do I stay up to date on new information and events?**

Please visit and “like” our Facebook page and follow us on Instagram @ marist\_multicultural\_affairs.

# Marist Abroad

Hancock Center, 2007

Phone: 845-575-3330

Fax: 845-575-3294

E-mail: [international@marist.edu](mailto:international@marist.edu) | Web: [marist.edu/abroad](http://marist.edu/abroad)

Instagram: [@MaristAbroad](https://www.instagram.com/MaristAbroad) | Twitter: [@MaristAbroad](https://twitter.com/MaristAbroad)

Marist Abroad promotes international engagement and academic, personal, and professional development through rigorous, reflective study abroad, overseas internships, and intercultural campus programming.

For more than half a century, Marist Abroad has offered a variety of study abroad experiences that support the acquisition of particular capacities in students, namely to develop a more global perspective of their major and to build intercultural competencies. We offer semester, full academic year, and short-term study abroad programs, enabling Marist students of any major to study abroad and graduate according to their planned schedule.

## Where can students study abroad?

Marist currently offers semester and academic-year study abroad in the following countries/sites:

### Africa

*Morocco, Senegal, South Africa, Tanzania, Uganda*

### Asia and the Pacific

*Australia, Cambodia, China, India, Japan, Korea, Laos, Myanmar, Nepal, New Zealand, Samoa, Taiwan, Thailand, Vietnam.*

### Europe

*Austria, Czech Republic, England, France, Germany, Greece, Hungary, Ireland, Italy, Netherlands, Poland, Portugal, Russia, Scotland, Spain*

### The Americas

*Argentina, Chile, Costa Rica, Cuba, Dominican Republic, Mexico*

*A petition process is available for consideration of semester and academic year study abroad in other locations.*

## Short-term, Faculty-led Programs

Marist Abroad offers a series of short-term three credit academic programs during winter intersession, spring break, and as a spring semester attachment. These programs include class meetings on campus and conclude with a two to three week excursion to a specific country or countries based on the objectives of the program.

Past short-term program destinations have included: Austria, Australia, Barbados, China, Cuba, Dominican Republic, Ecuador, England, France, Germany, Ghana, Greece, Hawaii, Hungary, Ireland, Italy, Japan, Netherlands, Portugal, Spain and Turkey.

## Summer Programs

Marist Abroad offers a six-week, seven credit finance summer program. ASPIRE (Accelerated Summer Program International Residential Experience) gives students the opportunity to learn more about the complexities of finance through coursework complemented by visits to local companies, international firms, and other educational excursions.

Marist Abroad also offers more than a dozen summer session programs. Among them: internship opportunities in multiple cities, language study in Havana, Fashion study in London, Theater study in London, Music in Vienna, and a full catalog of coursework with our partner, Lorenzo de Medici, in Florence, Rome, and Tuscany.

## **Classes and Internships**

In addition to taking select classes at a host site, one of the distinctive features of several Marist Abroad programs is the opportunity to complete internship, service learning, and/or independent research projects. Such opportunities provide substantive international work and field experience, and complement overseas coursework.

Recent internship placements have included: advertising, business, environmental organizations, fashion, foreign affairs, government, investment firms, marketing, museums, newspapers, publishing, public health, public relations, radio and film, schools, social development, and sports organizations.

## **Eligibility**

Semester/Academic Year: Sophomores, juniors, and seniors are eligible. Students are encouraged to begin planning in their first year, if possible. Applicants are required to have a minimum cumulative GPA of 2.5; some programs require a higher GPA.

Short-term, Faculty-led/Summer: Eligibility varies according to program. Each student must meet with the Program Director to receive permission to enroll in a program. The required minimum GPA for participation on a short-term study abroad program is 2.0 cumulative, and 2.5 for summer programs.

## **Cost**

Semester/Academic Year: In most cases, Marist Abroad semester and academic-year program costs are roughly equivalent to tuition and housing costs on the Marist campus. Generally, Marist Abroad participants may apply much of their financial aid (loans, scholarships, etc.) to study abroad costs.

Short-term, Faculty-led/Summer: Costs for short-term programs vary depending on destination(s).

## **Other International Opportunities**

### First Year Abroad Programs

Marist offers two First Year Abroad programs: the Freshman Florence Experience (FFE), and the Freshman Dublin Experience (FDE). These programs are for the full first year at our partner locations taking Marist courses and working with Marist staff. These students join their Poughkeepsie peers as sophomores, and frequently study abroad again.

### Marist Italy Bachelor's and Master's Programs

The Italy campus is a symbol of Marist's commitment to global education; it provides students a unique opportunity to grow as world citizens while earning Marist degrees entirely in Florence. Offering a wide range of Bachelor's degrees, as well as a Master of Art in Museum Studies, Florence is an ideal location for Marist students to learn by living and experiencing entirely new cultures. All of the programs offered at Marist's branch campus are designed to build on the unique strengths of Florence and to treat the city and cultures as extensions of the classroom. For those interested, the program offerings in Florence afford an education like no other.

# The Marist Core/ Liberal Studies Program

The College's commitment to excellence in education takes tangible form in the Marist Core/Liberal Studies Program, an academic experience shared by all students at the College. Providing a broad-based set of requirements as well as key opportunities for students to pursue their individual interests, the Core/LS curriculum connects directly to the Marist Mission Statement's goal of equipping students to lead "enlightened, ethical, and productive lives in the global community of the 21<sup>st</sup> century."

The goals of the Marist Core are as follows:

- To assist and challenge students to become more aware of their own values and the ethical implications of the choices they face in their public and private worlds.
- To develop in students the capacity to synthesize and integrate methods and insights from a variety of intellectual disciplines.
- To introduce students to the essential ideas and skills that comprise the disciplines of the liberal arts and the sciences.
- To develop in students crucial 21<sup>st</sup>-century skills including critical thinking, written exposition, public presentation, information literacy, and technological competency.

From the First Year Seminar to the senior-year Capping course, students learn to integrate different areas of study, to exchange ideas actively with faculty and peers, and to sharpen their abilities as writers, speakers, and critical thinkers.

The Common Read facilitates these conversations throughout students' first year at the College. The 2023-2024 Common Read, *Braiding Sweetgrass: Indigenous Wisdom, Scientific Knowledge, and the Teachings of Plants*, by Robin Wall Kimmerer, will provide students with the opportunity to discuss crucial social and educational questions and engage in thought provoking programming throughout the year.

## Overview of the Marist Core

I. Academic Foundation courses:

- First Year Seminar (4 credits)
- Writing for College (3 credits)

Philosophical Perspectives, a distribution course taken by all students (see below), also constitutes part of the first-year common academic experience.

II. Distribution courses: 36 credits total

*Breadth: one course in each of the following areas*

- Philosophy (required course: Philosophical Perspectives)
- Ethics & Justice
- Fine Arts
- History
- Literature
- Mathematics

- Natural Science
- Social Science

*Pathway: 4 courses addressing a focused interdisciplinary area of study.  
Please see below for a complete list of Pathways.*

III. Skill requirements: 0 stand-alone credits

- Every student must take at least one “intensive” Core or major course in Technological Competency and Public Presentation.

IV: Capping: 3 credits

- Taken within the major, this course involves a culminating research experience that draws upon students’ knowledge, skills, and values.

## First Year Seminars

Your child has selected their top five FYS classes and will be placed in one of those FYS classes as their schedules are developed by the Registrar. Although seminar topics vary, every section of the FYS serves as an introduction to college-level academic work and addresses the same set of essential 21<sup>st</sup>-century skills: writing, critical thinking, information literacy, and public presentation. Throughout the semester, students will learn not just about course material, but also explore ways to be better learners, thinkers, and members of the college community.

Please contact the Director of the First Year Seminar, Dr. Patricia F. Tarantello, at [Patricia.F.Tarantello@marist.edu](mailto:Patricia.F.Tarantello@marist.edu) with any questions about the course.

## Choosing a Pathway

Recognizing that today’s - and tomorrow’s - challenges are not confined to separate academic subject areas, the Marist Core engages students in a 4-course interdisciplinary Pathway. This set of courses will address a focused question or area of study from at least 3 disciplinary perspectives.

Language study is particularly crucial in today’s global community. Students may pursue proficiency through a Pathway in French, Spanish, or Italian, or take language courses as part of Pathways engaging with a particular culture.

Whatever the Pathway, its courses may count toward a minor, a second major, or any subject that enriches a student’s academic experience. Ideally, students should choose a Pathway by the time registration takes place in late spring of their first year. Students are not allowed to design their own Pathway. Descriptions of each Pathway and lists of affiliated courses are available on the Core/LS website.

- African Diaspora Studies
- American Studies
- Catholic Studies

- Cognitive Science Studies
- Contemporary European Studies
- Environmental Studies
- French
- Gender Studies
- Global Studies
- Hudson River Valley Studies
- Italian
- Jewish Studies
- Latin American & Caribbean Studies
- Medieval & Renaissance Studies
- Public Health
- Quantitative Studies
- Religion & Society
- Social Justice, Law & Ethics
- Spanish
- Studies in Political Economy
- Technology & Society

If you have questions about the Pathways or any aspect of the Marist Core, please contact Core/LS Director Dr. Sally Dwyer-McNulty at [Sally.Dwyer-McNulty@marist.edu](mailto:Sally.Dwyer-McNulty@marist.edu).

# James A. Cannavino Library

Phone: 845-575-3106

Web: [library.marist.edu](http://library.marist.edu)

## Resources

The James A. Cannavino Library has a vast collection of print and electronic books, journals, DVDs, and streaming video titles, and over 100 research databases. Current students can access the full slate of Library research databases, full text electronic journal articles, and e-books from anywhere in the world.

## Reference Help

Reference librarians are available to help students with their research. Students are strongly encouraged to visit the Reference Desk, contact us via Chat Reference, phone (845) 575-3292, or use the on-line "Ask a Librarian" form (<http://library.marist.edu/forms/ask.php>) All questions are welcome! Reference Librarians are available most weeks Sunday - Thursday until 10:00 PM, and Friday and Saturday until 6:00 PM.

Reference librarians often provide specialized instruction on specific topics or for specific assignments in Marist classes. Students can also schedule individual consultations with a librarian for more extensive projects or questions.

## Study Facilities

The library has almost 600 study seats and 15 collaborative study rooms.

In the E-scriptorium, the largest computer lab in the library, 46 workstations are available for conducting library research. Each has MS Office and specialized software to support many Marist classes. There are additional workstations located throughout the building.

Wireless laptops are available for use by Marist students while studying in the Library. Students with their own laptops (or other Wi-Fi enabled devices) can connect to the wireless network as well.

## Library Hours

Building hours are available on the Library web page at <http://library.marist.edu> .

## ConnectNY and Interlibrary Loan

If the library does not own a book or other item needed, we provide students with the ability to borrow those materials through ConnectNY, a state-wide consortium of private college and university libraries, or from libraries throughout the country via Interlibrary Loan.

## Borrowing Library Materials

Students need to use their Marist ID to borrow physical materials and pick up materials borrowed through ConnectNY and Interlibrary Loan.

# Registrar's Office

Donnelly 203

Phone: 845-575-3250

Fax: 845-575-3129

E-mail: registrar@marist.edu

The Registrar's Office maintains and stores the academic record of each Marist student. As parents, it is important for you to know the services that this office provides. They include:

- Publishing the Academic Calendar
- Grades
- On-line College Catalog
- Enrollment Verifications
- Transcripts of Record
- Transfer Credit Evaluations
- On-line Degree Audits
- On-line schedule of semester course offerings
- On-line registration and on-line grades
- Publishing final examinations schedule
- Verifying degree requirements and determining eligibility for academic honors
- Preparing first semester course schedule for each new freshman
- Processing name and address changes
- Processing changes or declarations of majors, minors, or certificates
- Maintaining the semester's classroom assignments
- Graduation
- Certifying Official for GI Bill Benefits and NYS Scholarships

## **Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act of 1974 affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day Marist College receives the request for access.
2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. The disclosure exceptions are defined below.
4. The right to file with the U.S. Department of Education a complaint concerning alleged failures by Marist College to comply with the requirements of FERPA. Complaints may be filed with The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901.
5. The right to obtain a copy of Marist College's education records policy. Copies of this policy are available upon request at the Office of the Registrar.

Additionally, Section 99.7 of FERPA requires that schools annually notify students currently in attendance of their rights under FERPA. Students currently in attendance will be provided a statement of their FERPA rights in their registration materials.

**FERPA Disclosure Exception:** Marist College discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney,

auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

Under FERPA disclosure exceptions, Marist may release information from a student's education record without prior consent to appropriate parties including:

- Federal officials in connection with federal program requirements;
- State and local officials legally entitled to the information;
- Appropriate authorities in connection with financial aid;
- Accrediting agencies, in connection with their accrediting functions;
- Courts or law enforcement in compliance with a lawfully issued judicial order, subpoena, or search warrant;
- Appropriate parties in a health or safety emergency, if necessary to protect the health or safety of the student or other individuals;
- Testing agencies for the purpose of developing, validating, researching, and administering tests.

**Directory Information:** Under FERPA, Marist may release the following information at various times unless requested in writing not to do so by the student: student name, campus-wide identification number, address, college email address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational institution attended by the student, grade level (including number of credits earned), and enrollment status (e.g.: undergraduate, graduate, full-time, part-time). Students must notify the Registrar in writing should they not want information made available by filling out a form at the Office of the Registrar.

Additional information about FERPA is available on the Marist website: [www.marist.edu/registrar](http://www.marist.edu/registrar).

**Please note:** In non-postsecondary institutions (elementary and high schools) parents of students have rights under FERPA as outlined above. **In postsecondary institutions (colleges and universities), the rights outlined above shall only be accorded to and required of the eligible student. Eligible student refers to a student who has reached the age of 18 or is attending an institution or postsecondary education.** Parents of eligible students at postsecondary institutions have no rights to the student's record under FERPA.

**ACADEMIC CALENDAR 2023-2024 FOR TRADITIONAL 15 WEEK SEMESTER  
(All other sessions- see Registrar for Dates and Deadlines)**

**FALL 2023**

<u>AUGUST</u>	25 Friday	Transfer resident students arrive on campus according to schedule.
	26 Saturday	Freshmen resident students arrive on campus according to schedule.
	27 Sunday	Returning resident students arrive on campus according to schedule. Orientation for New Students.
	28 Monday	<u>FALL 2023 SEMESTER BEGINS FOR ALL PROGRAMS.</u> Day & Evening classes begin.
	28 Monday- 1 Friday	Course Change Period.
<u>SEPTEMBER</u>	1 Friday	Last date for course changes. Half tuition after this date.
	4 Monday	Labor Day. No classes held.
	11 Monday	Last day to register for elective credit internships.
	18 Monday	No tuition or housing refund after this date.
<u>OCTOBER</u>	2 Monday	P/NC option due.
	20-22 Friday- Sunday	Fall Recess.
	23 Monday	Classes Resume. Midterm grades due by 12:00 p.m. (noon)
	30 Monday	Undergraduate & Graduate graduation applications due in Registrar's Office for 1/2024 candidates. Last date for withdrawing from courses without penalty of WF grades by 5 p.m.
<u>NOVEMBER</u>	21 Tuesday	<b>**MODIFIED CLASS SCHEDULE NO EVENING CLASSES</b>
	21 Tuesday	Residence Halls close at 7:00 p.m.
	22-26 Wednesday- Sunday	Thanksgiving Holiday. No classes held.
	26 Sunday	Residence Halls open at 10:00 a.m.
	27 Monday	Classes Resume. Undergraduate & Graduate graduation applications due in Registrar's Office for May 2024 candidates by 5 p.m.
<u>DECEMBER</u>	8 Friday	Last day of Fall 2023 classes.
	11-15 Monday- Friday	Final Exam Period.
	15 Friday	Residence Halls close at 7:00 p.m.
	20 Wednesday	Final grades due by 9:00 a.m.

**11/21/2023 Modified Class Schedule:**

All Tuesday DAY classes meet during their normal time except:

1. Tuesday 11 a.m. classes do NOT meet
2. Tuesday 3:30 p.m. classes do NOT meet

These **Wednesday** classes WILL meet on **Tuesday, 11/21:**

1. Slot 5, Wed, 8 a.m. classes meet at 11 a.m.
2. Slot 12, Wed. 2 p.m. classes meet at 3:30 p.m.

## **WINTER SESSION 2024 – TO BE DETERMINED**

### **SPRING 2024**

<u>JANUARY</u>	15 Monday	Martin Luther King Jr. Holiday. No classes held. Residence Halls open.
	16 Tuesday	Spring Semester Begins, Day & Evening Classes held.
	16-22 Tuesday- Monday	Course Change Period.
	19 Friday	Last date for resolving incompletes & grade changes for Fall 2023 and Winter 2024 by 5 p.m.
	22 Monday	Last day for course changes (5p.m.). Half tuition refund after this date.
	29 Monday	Last day to register for elective credit internships.
<u>FEBRUARY</u>	5 Monday	No tuition or housing refund after this date.
	19 Monday	P/NC Option due by 5 p.m.
<u>MARCH</u>	8 Friday	Residence Halls close at 7:00 p.m.
	9-17 Saturday- Sunday	SPRING BREAK
	11 Monday	Midterm grades due by 12:00 p.m. (noon)
	17 Sunday	Residence Halls open at 10:00 a.m.
	18 Monday	Classes resume.
	27 Wednesday	Last date for withdrawing without penalty of WF grade by 5:00 p.m.
	28 Thursday	No Evening Classes. This includes classes that meet at 6:30 p.m. and beyond. 5:00 p.m. classes will still meet.
	29-31 Friday- Sunday	Spring Recess
<u>APRIL</u>	1 Monday	Classes resume at 6:30 p.m.
	9 Tuesday	Assessment Day. No classes.
<u>MAY</u>	3 Friday	Last Day of Spring 2024 classes.
	6-10 Monday- Friday	Final Exam period begins. Residence Halls close Friday at 7:00 p.m. for underclassmen.
	16 Thursday	Final grades due by 5:00 p.m.
	17 Friday	SEVENTY-EIGHTH COMMENCEMENT CEREMONY – Graduate and Adult Students
	18 Saturday	SEVENTY-EIGHTH COMMENCEMENT CEREMONY – Traditional Undergraduate Students
	18 Saturday	Residence Halls close at 5:00 p.m. for graduating seniors.
<u>JUNE</u>	14 Friday	Last date for grade changes & resolving incompletes for Spring 2024 by 5 p.m.

## Writing Center Services

### One-on-One Writing Center Sessions (ONLINE AND IN-PERSON)

The Writing Center offers one-on-one writing tutoring to all students on campus, both undergraduate and graduate students, in all fields of study and at all levels of study. Students can make an appointment for a Writing Center session by visiting [marist.mywconline.com](http://marist.mywconline.com). Our Writing Center is staffed by a combination of professional staff and peer undergraduate tutors, and students can pick who they want to work with when they make an appointment. Our tutors have experience working with writers at all stages of the writing process—from choosing a topic and drafting a thesis statement to re-organizing a draft and making the final edits. We can work with students on pretty much any type of writing project they might be working on, including both academic and non-academic writing. So whether they're working on a PowerPoint presentation for a sociology class, a lab report for biology, an application essay for grad school, or a forum post for their First-Year Seminar course, our tutors are here to help.

### In-person Tutoring

Our Writing Center is located on the third floor of the library in room 334. Stop in to say hi, sign up for an appointment, or work with an available tutor.

### Online Tutoring

We offer two types of online tutoring services: Virtual Face-to-Face tutoring and email draft tutoring.

- **Virtual F2F Tutoring:** Our Virtual F2F (face-to-face) tutoring services are essentially a video call with a tutor where the tutor and student can virtually connect and work on the same online document simultaneously. It's a great option for students who are just getting started writing and want to brainstorm some ideas. It's also great for students who have a draft that they need to revise, but they're not quite sure where to start.
- **Email Draft Tutoring:** Email tutoring, our asynchronous tutoring option, lets students upload a draft to a tutor and receive written feedback on the day of their scheduled email appointment. This feedback is meant to be facilitative—we focus on students' ideas, we make sure they're meeting the goals of the assignment, and we let them know what's working well and what could be improved in future drafts. And while we do not edit student papers, we can teach them how to proofread their own work.

You can learn more about the Writing Center's online services by visiting the [Online Writing Center Appointment Guide](#). There you will find step-by-step guides for scheduling virtual appointments and submitting email drafts. Questions? Contact [Writing.Center@marist.edu](mailto:Writing.Center@marist.edu).

## **Writing Workshops for Students (ONLINE ONLY)**

In addition to our one-on-one conferences, the Writing Center offers writing workshops on various topics (like how to write a strong thesis statement, how to organize ideas in writing, and how to get started on a new writing assignment).

## **Writing Resources for Students and Instructors:**

We have a number of writing resources available on iLearn for both students and instructors, with more being added every week. Join our iLearn site and click the “Writing Resources” tab on the left.

### **[iLearn Site: ‘Marist Writing Center’](#)**

Join our site in five easy steps:

1. Sign into iLearn
2. Click on the Membership Tab
3. Click on Joinable Sites
4. Find the site: ***Writing\_Center***
5. Join the site

# Athletics

McCann Center

Phone: 845-575-3553

Web: [www.GoRedfoxes.com](http://www.GoRedfoxes.com)

Marist College has an abundance of athletic opportunities for your son or daughter. Marist offers a three-tiered sports program: varsity, club and intramural. Athletics at Marist reflect the college objectives and are a means to attain educational goals.

The varsity programs offer the most advanced level of competition. Marist is a member of the National Collegiate Athletic Association (NCAA), subscribes to the Division I philosophy and belongs to the Metro Atlantic Athletic Conference (MAAC) and the Pioneer Football League. Sports at the varsity level are:

Men: Baseball, Basketball, Cross Country, Football, Lacrosse, Rowing, Soccer, Swimming & Diving, Tennis, Indoor and Outdoor Track & Field

Women: Basketball, Cross Country, Lacrosse, Rowing, Soccer, Softball, Swimming & Diving, Tennis, Indoor and Outdoor Track & Field, Volleyball, Water Polo

The club sport program is a division of the Marist College Athletic Department. The program consists of 18 student clubs recognized by the Student Activities Office (SAO) formed by individuals with a common interest in a sport. The club sport program is designed to provide not only athletic competition, but also leadership and social experience. It is expected that all clubs will be student run with the assistance from club sport administration, a faculty advisor and/or a coach. Current club opportunities:

Co-Ed: Cheerleading, Dance, Fencing, Golf, Ski & Snowboard, Equestrian, Esports, Ultimate Frisbee and Tennis

Men: Ice Hockey, Rugby, Baseball, Volleyball, Soccer and Lacrosse

Women: Rugby, Lacrosse and Soccer

Students interested in competition at a less advanced level may turn to an extensive intramural program. Intramurals offer any student, whether expert or beginner, the chance to play on a team without the time demands of the varsity or club programs. More than 2500 undergraduates participate each year. There are teams in flag football, softball, co-ed volleyball, co-ed soccer, basketball, co-ed dodgeball, tennis, corn hole, spike ball, and much more. Students interested in participating in the intramural sport programs can visit [\\_https://www.marist.edu/student-life/athletics/intramural-recreation](https://www.marist.edu/student-life/athletics/intramural-recreation) for additional information and registration.

In our physical education and recreation program, a wide range of courses are offered in individual sports including aerobics, archery, boxing, golf, karate, soccer, football, yoga, fencing and coaching certification. Classes are small with instruction geared to beginning and intermediate levels of ability.

For information on any of our varsity programs students should contact the head coach directly. An inquiry can be made to obtain information on a particular club sport or intramurals through the Coordinator of Club Sports and Intramurals at 845-575-3000, x2594. Information on the Intramural and Sport Club programs can be found at <https://www.marist.edu/athletics>

# Campus Fitness and Recreation Facilities

Marist has significantly expanded its fitness and campus recreation offerings for all students on campus. There are multiple locations on campus that enable students to maintain an active and healthy lifestyle. A valid Marist ID is required for entry to all campus fitness and recreation facilities.

## McCANN FITNESS CENTER:

Located on the south end of campus, adjacent to the McCann Baseball Field, the McCann Fitness Center was completed in January 2020. The addition includes a pair of weight rooms and fitness centers, an indoor turf facility, a recreation gymnasium with two NCAA regulation basketball courts, and a 133-meter elevated track.

Other spaces include a physical therapy facility designed for an athletic and academic partnership with the Doctorate of Physical Therapy program, two multipurpose rooms designed for team meetings, film review and physical education and fitness classes, and a rooftop terrace with a green roof.

## Hours of Operation:

Monday-Thursday: 9 a.m.- 12 a.m.  
Friday: 9 a.m.- 11pm  
Saturday: 9 a.m. - 9 p.m.  
Sunday: 10 a.m.-11 p.m.

## MARKETPLACE FITNESS:

Located on the east end of campus, Marketplace Fitness contains a variety of fitness, plate-loaded, and free weight training equipment for all students. Students can access the facility by utilizing their Marist

## Hours of Operation:

Monday - Sunday: 6 a.m. - 10 p.m.

## McCORMICK HALL FITNESS:

Located on the north end of campus, McCormick Hall Fitness offers cardiovascular fitness equipment, plate loaded, and free weight equipment as well as a dance/aerobics studio, which holds organized classes.

## Hours of Operation:

Monday - Thursday: 7 a.m. - 11 p.m.  
Friday: 7 a.m. - 9 p.m.  
Saturday: 9 a.m. - 9 p.m.  
Sunday: 10 a.m. - 11 p.m.

## OUTDOOR BASKETBALL COURT:

Located on east campus, a lit basketball court is available exclusively to all students for recreational play. Lights must be powered on by pushing a button on light pole.

## Hours of Operation:

Open Daily from 7 a.m. - 12 a.m.

# First-Year Varsity Parents

As a parent of a varsity student-athlete, we would like to provide you with information specifically related to the Department of Athletics and the type of programs and expectations we have for your son or daughter.

All students have the opportunity to walk-on to every varsity team. Should the student tryout and make the team an ARMS account will be created for them. ARMS is a software system used by the athletics department to maintain and track student athletic records.

As a Division I program, we adhere to the philosophy and regulations prescribed by the National Collegiate Athletic Association (NCAA). We are also a member of the Metro Atlantic Athletic Conference (MAAC), the Pioneer Football League and compete in 23 varsity programs.

As a student-athlete, your son or daughter is expected to adhere to an abundance of rules prescribed by the College, NCAA and MAAC. These rules cover the following:

- Academics
- Sportsmanship and ethical conduct
- Drugs and alcohol
- Athletic practices and competition
- Financial aid
- Social Media

In addition, the Department of Athletics has an extensive code of ethics and conduct expectations which range from gambling and agents, to harassment and hazing. For more information on the code and specific College, NCAA and MAAC rules, you may contact the Associate Athletic Director/Senior Woman Administrator at 845-575-3000, x2463.

The academic support provided to our student-athletes is exceptional. The department's Center for Student-Athlete Enhancement provides the following:

- Tutoring
- Progress reports
- Study halls
- Academic advisement

In addition, the Department of Athletics participates in the NCAA Student-Athlete Affairs program, which provides student-athlete workshops and educational sessions on an abundance of academic and interpersonal skills. For more information on these services, you can contact the Director of Student-Athlete Enhancement at 845-575-3000 x2325.

The Department of Athletics also has an extensive sports medicine staff available to assist our student-athletes and coaching staff with the necessary medical treatment they may require.

Through our Sports Medicine Department, we provide our athletes with an insurance policy. This policy is an excess policy in which bills must be submitted to the family's insurance first, and then the remaining balance will go to the College's insurance company with copies of the explanation of benefits and the bill. For more information on the services provided by the Sports Medicine staff and our excess policy, you can contact the Coordinator of Sports Medicine at 845-575-3000 x6025.

As Division I athletics, we expect our student-athletes to be in top physical condition. Strength and Conditioning programs are tailored to individual teams to assist our coaching staff with molding these young men and women into the top athletes in their field.

We look forward to your son or daughter's academic and athletic career at Marist College. We encourage you to keep abreast of his or her program in addition to our other varsity programs by logging on to our website at [www.GoRedFoxes.com](http://www.GoRedFoxes.com).

# Campus Ministry

Department of Spiritual & Religious Life  
845-575-3000 ext. 2275 Fax: 845-575-3299

Campus Ministry welcomes students from ALL FAITHS to take part in one, several, or all of the activities we provide. We are the largest student organization on campus with over 1000 members. Our offices are located at Byrne House. We are open from 8:30 AM – 5:00 PM Monday through Friday. Three of the Ministers live in Freshmen Residence Halls and are available to students in the evening and on weekends.

## **Monthly Community Meetings**

- We meet by year levels, on the first Monday night of each month for fellowship, prayer, and input.

## **Service Programs**

- Our Community Service Program provides weekly opportunities for students to volunteer for two hours each week working in local schools and after-school programs with children – tutoring, recreation, etc. Students may also volunteer at an assisted living facility for the elderly in which all transportation is provided.
- Seasonal Charity Events: Hunger Walk, Giving Tree, Clothing Drive

## **Retreats**

- Campus Ministry offers a variety of retreat experiences for students from a Freshmen Retreat, to Meditation, Hiking, Outdoor Adventure, or any retreat students may want. Retreats are a great way to disconnect from your routine and connect to people with shared interests. Programs are explained at our general monthly meetings.

## **Catholic Connections**

- This Catholic student group meets weekly.
- Catholic Mass is celebrated on Sundays at 6:30 PM.
- Reconciliation is offered before Mass.

## **Arise**

- Arise, the non-denominational student group welcomes any Christian, generally protestant, who wish to continue their faith journey with like-minded students through weekly Bible Study and monthly Prayer and Praise on campus.

## **Jewish Students-Hillel**

- Services offered include monthly Shabbats, a Chanukah lighting & party, and Seder Meal.

## **Interfaith**

- In response to the growing diversity of our campus community, Campus Ministry likes to keep open lines of communication between the various faiths represented by our students. To enable this, an Interfaith Board has been established to ensure the spiritual needs of students are met throughout the year, and that there are no barriers to one's expression of faith. The Board facilitates discussions between faith groups and supports the efforts of the various faith groups on campus.

## **Men & Women Spirit Group**

- We host Spirit groups for both Men and Women (separately) throughout each semester that meet weekly for one hour. Traditionally, they meet by year level. The Men have an additional Men's Spirit group for gay men, and there are opportunities for the entire LGBTQ + community to have a female-oriented group as well. Topics include issues that young college (age-appropriate) people deal with as well as how to live as a spiritual person while balancing the trends of campus life. Topics arise naturally from the students in each particular group. Both Men's and Women's Spirit groups are facilitated by one of the campus ministers.

# Counseling Services

\*New Location!\* Midrise 113

Phone: 845-575-3314

Fax: 845-575-3528

Web: <https://www.marist.edu/student-life/services/counseling>

Marist College Counseling Services is part of the Division of Student Affairs. We are dedicated to the personal, interpersonal, and collective wellness of the campus community. Our FREE services include:

**Consultations:** Available to students, parents, faculty and staff who may be concerned about a student or are interested in learning more about our services.

**Let's Talk:** A great option for students looking to address an immediate problem during a brief, confidential meeting with a counselor without the commitment or paperwork!

**Individual Counseling:** Short-term, goal-focused counseling to address immediate concerns and develop skills towards resilience and wellness.

**Groups and Workshops:** We have a number of groups and workshops that help students build their own self-awareness and coping skills!

**Referrals:** We are happy to connect students who would benefit from weekly sessions or more specialized care to providers in the community. We can also help plan effectively for semester breaks, study abroad, and after graduation. Students can also use our personalized search engine to find providers off-campus or at home: <http://marist.thrivingcampus.com/>

**Psychiatric Services:** Students considering starting or currently taking medication may see our psychiatrist or be referred to an off-campus medical provider for a medication evaluation and medication management.

**Outreach and Education:** We offer a variety of outreach and training programs for student groups, faculty, administrators, and staff on a wide range of topics related to mental health and wellness.

**After-Hours On-Call Service:** For evening and weekend psychiatric emergencies, students can request to speak with the on-call counselor by contacting their RA/RD or Office of Safety and Security (845-471-1822).

## Office of Counseling Services Staff

Our staff consists of licensed psychologists, clinical social workers, mental health counselors, and a psychiatrist committed to providing inclusive, social-justice oriented and evidenced-based care.

## **Confidentiality**

For students 18 years and older, our services are confidential. Sessions are never part of a student's official record. Exceptions to confidentiality include: if you pose a clear and immediate danger to yourself or others; if there is concern over abuse/neglect of a child, elderly person or disabled adult; if your records are subpoenaed by authorized court jurisdiction.

## **Common Student Concerns**

- Adjustment/Homesickness
- Anxiety/Stress
- Depression/Mood swings
- Experiences related to identity/marginalization
- Sleep difficulties
- Alcohol/Substance Use
- Self-esteem
- Eating/Body Image concerns
- Relationship issues
- Suicidal thoughts
- Self-injurious behavior
- Family issues
- Grief/Loss
- Trauma
- Academic issues/Career concerns

## **Marist Dining Services**

845-575-5100 Fax: 845-575-5120

Marist Dining Services prides itself on diverse dining options, nutrition and wellness, food delivery innovation, special needs diet accommodations, a dedication to waste reduction and sustainability, student satisfaction, and community outreach. The Marist Dining campus delivery program is the largest self-run delivery program in the country that is free to students. Local on-campus partnerships include Rossi's Deli, Chakra Bowls, Farmers & Chefs and North River Roasters. Other on-campus partnerships include Starbucks. We proudly source ingredients locally and regionally whenever possible from vendors such as Hudson Valley Fresh Milk, Purdy's & Sons Meats & Poultry, Rockland Bakery, Red Barn Produce and more.

In addition to special needs diet accommodations, Marist Dining Services accommodates gluten-free, vegetarian, and vegan diets at all campus dining locations. Marist Dining is pleased to collaborate with students for religious and cultural celebrations.

### **Murray Student Center Dining Hall**

The Murray Student Center Dining Hall is the community heart and the bustling hub of the campus. The Dining Hall offers fresh salads, yogurt, hot cereal, cold cereal, hand cut fruit, scratch-made soups, a homestyle station, an in-house bakery, an international station, a vegetarian station, a deli counter featuring Boar's Head cold cuts, and a pizza station. Certified Halal beef, poultry and fish are included in recipes used at Simple Servings, the food server offering top-8 allergen free foods. The Dining Hall has vastly expanded its gluten-free offerings on the main serving line for customers following a gluten-free diet. For beverages, guests can choose Seattle's Best Coffee, Pepsi fountain beverages, local milk from Hudson Valley Fresh, Teavana tea, juice, and plant-based milks.

### **Special Dietary Requirements**

Marist Dining Services accommodates all students with medically diagnosed food allergies or medically prescribed diets while also striving to empower students to feel comfortable utilizing dining hall stations. Ingredients for all recipes served in the dining hall are clearly listed on the station menus and are available on the website and Bite app. If a student is unsure about any item we are serving, staff will talk directly to the chef that prepared the dish to determine exactly what ingredients were used and how it was prepared. If you require a dining accommodation, you must fill out both the OAA Registration Form and Voluntary Disclosure Form, along with Dietary Accommodations Form (with supporting documentation). The information that you provide regarding any need for accommodation(s) will be shared only with those individuals involved in the coordination and facilitation of services and accommodations that are required to make our dining program accessible to you. More information on OAA can be found at <https://my.marist.edu/accommodations-and-accessibility>.

For more information, please visit [MaristDining.com](http://MaristDining.com) > Nutrition. For accommodations questions and concerns, please email [accommodations@marist.edu](mailto:accommodations@marist.edu).

### **Thrifty Cash**

Thrifty Cash is a dollar amount associated with each dining plan that can be used in any campus dining facility (retail or residential). Purchases made using Thrifty Cash are tax exempt. Funds remaining in a Thrifty Cash account transfer from the fall semester to the spring semester only, provided that the student remains enrolled in a dining plan for the spring semester. To add money to your Thrifty Cash account online visit the MyHousing page on My.Marist.edu account to add funds in \$25 increments, with a maximum addition of \$100 per transaction. For more information, please visit [MaristDining.com](http://MaristDining.com) > My Dining Plan.

### **U Pick Meal Equivalency**

The U Pick meal equivalency program allows students more freedom and flexibility with the dining plan. A meal swipe (from any dining plan) to be applied toward any food and beverage equivalent up to \$10 at campus retail dining locations. Any value after \$10 can be applied using Thrifty Cash or Marist Money on the Grubhub app. For walk-up service, any value after \$10 can be applied using Thrifty Cash, Marist Money, credit/debit or cash. \*Exclusions include but are not limited to sushi, specialty items, personal care, bulk and frozen food items. Exclusions are subject to change. For more information, please visit the Frequently Asked Questions page.

### **Grubhub**

Grubhub is the nation's leading online and mobile food-ordering and delivery marketplace. Students can use the Grubhub Campus Dining app to order from their favorite on-campus cafes and eateries — and can even pay using their campus cards and dining plans. Visit [MaristDining.com](http://MaristDining.com) > Grubhub for more information.

For information on all campus dining facilities and their hours of operation, visit <http://maristdining.sodexomyway.com/>

### **Contact Marist Dining Services**

If you need a special diet or allergy accommodation, please visit the Nutrition page on [MaristDining.com](http://MaristDining.com) or contact Marist Dining Services General Manager at [Shawn.Monaghan@sodexo.com](mailto:Shawn.Monaghan@sodexo.com).

If you have a general question regarding the Dining Services program, please text keyword MARISTPARENTS to 82257, visit the Frequently Asked Questions page or email Marist Dining Services Marketing Specialist at [Rhys.Finch@sodexo.com](mailto:Rhys.Finch@sodexo.com).

### **Dining Plan**

With all the worries of going to college, the last thing you need to do is plan your next meal. Marist Dining Services offers dining plans which provide flexibility, value, and convenience.

Scan the QR code below to learn more about our dining plan options or visit our website [@MaristDining.com](http://@MaristDining.com)

**For information on all campus dining facilities and hours of operation, visit  
<http://maristdining.sodexomyway.com/>**

# Office of First Year Programs (FYP)

Rotunda 388

Phone: 845-575-3517

Fax: 845-575-3186

E-mail: [FirstYearPrograms@marist.edu](mailto:FirstYearPrograms@marist.edu)

Web: [www.marist.edu/student-life/first-year-programs](http://www.marist.edu/student-life/first-year-programs)

Welcome New Marist Families!

One of our favorite phrases in the **Office of First Year Programs (FYP)** is “the end depends on the beginning.” Through our unique professional mentoring program, FYP offers students a bright beginning by providing the support, skills, and connections necessary to make the academic, social and personal transition to Marist College.

Each new student has a First Year Programs Coordinator who serves as their Mentor. Mentors help students think about their educational and personal goals and reflect on what they are learning both in and outside the classroom. In this way, the FYP staff serves as liaisons that link new students to the rest of the campus and to the unique array of co-curricular, faculty and support services Marist offers. Mentors also collaborate with the College’s Academic Advisors to develop individual learning contracts for students who are experiencing academic difficulty. Mentor-student interactions take place in one-on-one and small group settings, in skills building workshops, and in continuing orientation activities such as: Welcome Week, First Fall, Faculty Supper Series, the Peer Mentor Program, Family Weekend, and the other programs that are part of our Personal Development Core.

Resident FYP Coordinators are administrative staff members assigned to live and work in the First Year Residence areas. They collaborate with the Resident Director and student staff in their building to create a positive learning environment and to foster a sense of community. The Associate Director/Commuter Coordinator is the administrator responsible for providing mentoring services for commuting students. The Associate Director/Commuter Coordinator works with the Commuter Student Council, Student Government Association (SGA), and Peer Commuter Mentors to achieve an engaging and welcoming learning environment within the Student Center. Transfer students are also considered first-year students, and they also have a Mentor, a peer program, and a Transfer representative on SGA.

First Year Programs Mentors live and/or have offices in Champagnat Hall, Leo Hall, Marian Hall, Midrise, and Sheahan Hall. The Commuter Student Coordinator is located right off of the Student Lounge on the lower level of the Student Center.

Whether through innovative programs or individual appointments, mentors are a dedicated group of student development professionals who work to make the first year experience meaningful, memorable, successful and enjoyable. Please encourage your students to make the most of the programs, services, and support offered to new Marist students

# Emerging Leaders Program (ELP)

Rotunda, Room 388

Phone: 845-575-3517

Fax: 845-575-3186

E-Mail: [emerging.leaders@marist.edu](mailto:emerging.leaders@marist.edu)

Web: [my.marist.edu/emerging-leaders](http://my.marist.edu/emerging-leaders)

## LEARN TO LEAD AT MARIST

One of the largest and most popular organizations on campus, The Emerging Leaders Program (ELP) is a unique, exciting, no-cost, non-credit certificate program that provides students with ongoing and varied opportunities to define, discover and develop their leadership skills.

The ELP offers students an opportunity to:

- Advance the key skills that are essential to personal and professional success
- Interact with interdisciplinary experts
- Build resume credentials
- Connect with other student leaders and learners
- Expand their networks both on and off campus

Like a class session, Workshops are 75 minutes long. Students who complete six or more workshops during the academic year will receive an ELP certificate of program completion at a special recognition event. They will also have an opportunity to proudly display a digital badge. Students can earn a certificate in each year of study.

In addition, and by invitation only, students also have an opportunity to use the ELP certificate requirements in partial fulfillment of the requirements for lifetime membership in the National Society of Leadership and Success (NSLS). Marist has one of the largest and most active NSLS chapters in the country. There is a small, one-time fee for membership in the National Society, which offers lifetime benefits and program access.

Interested students should keep an eye on their Marist e-mail for the Workshop Listings, which are sent during the first two weeks of the semester, and they should respond ASAP. ELP information can also be found on the my.Marist portal under the Student tab. There is no additional advertising for this program as space is limited and hundreds of students participate.

Event descriptions, online registration information and an FAQ can be found at: [my.marist.edu/emerging-leaders](http://my.marist.edu/emerging-leaders). Special invitations to join the National Society of Leadership and Success are sent from the organization via Marist email.

# Health Services

Phone: 845-575-3270  
health.services@marist.edu

## Overview

Marist Health Services is located in on the third floor of the Student Center. All students who pay the Health Services fee, which is required for undergraduate students, are eligible for services at Health Services free of charge throughout the semester.

Marist Health Services is staffed by physicians, nurse practitioners, physician assistants, and registered nurses. We provide evaluation and treatment of common problems such as acute illness and minor injuries, as well as primary care services and management of chronic medical concerns.

Students are seen by appointment. Every effort is made to deal with urgent issues promptly. Emergencies or problems that are beyond the resources of Health Services are referred to Vassar Brothers Medical Center or Westchester Medical Center (see below for contact information).

When needed, Marist Health Services refers students and families to community health resources, such as medical specialists, physical therapists, and dentists. Student health fees do not cover such visits and students will need to arrange their own transportation. If you anticipate the need for special care, it is most efficient to begin by checking with your health insurance carrier about coverage and “preferred” or “in-network” providers in the Poughkeepsie area.

## Pharmacy Services

Marist College is located directly across the street from Rite Aid Pharmacy. There are also several other pharmacies close to the college. Common over-the-counter medications are available for purchase at the Book Store on the ground floor of the Student Center.

### The Closest Pharmacies:

Rite Aid Pharmacy  
3350 North Road  
Poughkeepsie, NY 12601  
Phone: 845-452-6153  
Fax: 845-452-6209

CVS Pharmacy  
25 Winslow Gate Road  
Poughkeepsie, NY, 12601  
Phone: 845-224-0495  
Fax: 845-628-4451

Molloy Medical Arts Pharmacy located at  
Westchester Medical Center  
19 Baker Avenue, Suite 207  
Poughkeepsie, NY 12601  
Phone: 845-471-7455  
Fax: 845-473-6337

(Across the street, walking distance)

**What if someone gets sick after hours?** If Health Services is not open, students should contact their Resident Assistant or Resident Director for help in determining whether they should seek care immediately or wait to be seen in Health Services. Students can also contact the Office of Safety and Security for assistance at 845-471-1822.

Students are encouraged to seek care at Emergency One (4274 Albany Post Road, Suite 1, Hyde Park, NY 12538) for non-emergent illnesses, as their insurance plans permit. Hours and insurance participation details can be found at the [Emergency One website](#), [appointments can be booked on the website](#). The Office of Safety and Security can provide transportation to Emergency One on weekends. Please contact the office (845-471-1822) for further details.

If a student decides to go to the Emergency Room or local urgent care center, the staff of Marist Health Services may not be informed of changes in the student's health. Please keep our staff informed if you visit the ER or are admitted to the hospital.

### **Where are the nearest Emergency Rooms?**

If needed, students are referred to Westchester Medical Center which is across the street from the campus, or Vassar Brothers Medical Center, about 2 miles south of the College. Such visits will be billed to the student's insurance.

Vassar Brothers Medical Center  
Emergency Department  
30 Reade Place  
Poughkeepsie, NY 12601  
845-431-5680

Westchester Medical Center  
Emergency Department  
241 North Road  
Poughkeepsie, NY 12601  
845-431-8220

## **Immunization Requirements**

### **Measles, Mumps and Rubella**

New York State Public Health Law §2165 law mandates that all students born after January 1, 1957, must show proof of immunity to measles, mumps, and rubella.

### **Meningitis**

New York State Public Health Law §2167 requires that all students read information regarding bacterial meningitis, and complete and return the Meningococcal Meningitis Vaccination Response Form to Health Services.

. More information about required immunizations can be found at <https://my.marist.edu/immunization-compliance>. Specific information about health information requirements can be found at <https://my.marist.edu/health-forms-for-incoming-students>.

### **Covid 19**

Marist College recommends that students are up to date with Covid 19 vaccination, per the CDC definition. Please reference <https://www.marist.edu/covid-resources/health-safety/vaccines> for the most current requirements and other information about Marist's COVID-19 vaccine policy.

## **Influenza**

Flu vaccine clinics are held weekly on campus during the fall semester, students will be

notified by email regarding exact dates and times. Influenza immunization is also available at the Rite Aid Pharmacy across the street from campus.

**Students will not be allowed to attend classes or remain in College Housing if the required information and health forms are not provided to Health Services. The deadlines for health requirements submissions are June 30<sup>th</sup> for Fall semester, May 1<sup>st</sup> for Summer term, and December 15<sup>th</sup> for Spring semester**

## Insurance Information

All students are required to have health insurance to cover expenses outside of those provided by the Marist Health Services, such as emergency department visits, hospitalization, and specialty care. All such medical expenses are the responsibility of the student.

Students are automatically enrolled in the Student Health Insurance Plan (SHIP) underwritten by Anthem Blue Cross Blue Shield. An email will be sent out with information about the details of your policy, please save the PDF of your insurance card immediately as the link is valid for only two weeks. For any questions about the Student Health Insurance Plan contact [marist@ajfusa.com](mailto:marist@ajfusa.com). Marist Health Services is not involved with the administration of student health insurance.

If a student already has adequate health insurance coverage, they may Opt-out of the Student Health Insurance Plan by completing the Opt-out form; contact Student Financial Services at [studentfinancialservices@marist.edu](mailto:studentfinancialservices@marist.edu) for more information. Before opting out of the Marist Student Health Insurance Plan, be sure to review the details of the student's personal health insurance coverage to be certain it is adequate for the Poughkeepsie area, which may be considered "out of network" for some plans.

Proof of health insurance is required annually for all full-time undergraduates (12 or more credit hours) enrolled at Marist College.

## Confidentiality

All information and records pertaining to a student's health are confidential and cannot be shared with anyone without the knowledge and consent of the student, with the exception of certain infectious diseases which must be reported to public health authorities.

Except for serious emergencies, students are responsible for notifying parents or guardians of their condition.

## Parental Consent for Treatment

Students under 18 must have their parent or guardian sign the Medical Authorization and Consent Form. This consent applies to treatment at Marist Health Services as well as Vassar Brothers Medical Center or Mid-Hudson Regional Hospital, in case of emergency.

Once a student is 18, medical records become confidential. Parents will not be notified of a student's visit to Health Services, except for serious emergencies. Students may choose to sign the section entitled "Optional Consent to Discuss Medical Condition for Students 18 and Older" on the Medical Authorization and Consent Form. This form can be accessed through the student health portal (<https://my.marist.edu/health-forms-for-incoming-students>).

# Health-related Items to bring to campus

- Any regular prescription medications
- Knowledge / documentation of any medication or food allergies
- Health insurance card (if copying, please include both sides)
- Digital thermometer
- Basic first aid supplies and nonprescription medications:

acetaminophen	cough syrup
antacid	decongestant
antibiotic ointment	hydrocortisone
cream anti-diarrheal medication	ibuprofen
band aids	

## Excuse Notes

Marist Health Services does not provide excuses for routine illnesses, injuries or mental health problems that may lead to missed classes, labs, studios, exams or deadlines. This policy resembles those of most other colleges and universities and is consistent with the recommendations of the American College Health Association.

Marist expects that students will be honest with their professors regarding their ability to complete work and professors are expected to work with students on these issues. The staff at the Center for Advising & Academic Services are available to provide assistance to students or faculty members who have concerns about attendance issues.

## Absence of 4 days or longer

If a student has an illness or family emergency that will result in 4 or more days of absence, the student should contact individual professors as soon as possible, as well as communicating with CAAS

## Center for Advising & Academic Services (CAAS)

Donnelly Hall, Room  
224 Office: 845-575-  
3500  
Fax: 845-575-3502  
<https://www.marist.edu/academic-resources/advising>

The student will need to provide CWID, the start and anticipated end date of absence, the reason for absence, and contact information. The CAAS staff will send notification of absence to the student's professors and advisor.

## Assistance with serious, ongoing illness or injury

If the student and Marist Health Services medical staff believe that providing information about a significant, ongoing health problem (not a short-term illness) could facilitate appropriate academic accommodations, Marist Health Services will, at the student's request and with the student's permission, communicate with the Center for Advising & Academic Services.

# Office of Housing and Residential Life

Rotunda 387

Phone: 845-575-3307

Fax: 845-575-3788

E-mail: [housing@marist.edu](mailto:housing@marist.edu)

Web: [marist.edu/housing](http://marist.edu/housing)

Residential life is an integral part of a student's educational experience. The residential life program at Marist College is based upon the philosophy of providing students with a safe, healthy and attractive living environment, which supports and supplements the educational mission of the College. It is the responsibility of the residence life staff to work in partnership with students to create and maintain this environment, thus making our residence halls more than just a place to sleep.

## Residence Selection Process

Freshmen resident students are matched based upon their Freshmen Housing Survey answers they complete during Orientation. Freshmen also have the option to request a specific roommate using the Freshmen Housing Survey. Students unable to attend orientation will be emailed the survey to their Marist email account in late June or Early July. In subsequent years, resident students select college housing through the College's Priority Point System. The Priority Point System is unique in that it allocates points to each student in various academic and personal categories that directly affect the student's eligibility for housing. The system is designed to reward the student who excels academically and who contributes productively to the Marist College Community.

## Suggested Personal Items to Bring to Campus

Fan for the first & last months	Towels
Bathroom supplies	Athletic clothes
Laundry bag or basket	Warm coat
Umbrella/raincoat	Heavy sweaters
Detergent, softener, etc	First aid kit
Bedding (extra-long, twin – 36x80") **	Clothes hangers
Carrying basket for personal hygiene products	Shower shoes
Small waste paper basket	Eco-friendly items preferred
UL rated surge protector (with reset feature)	Single serve brewer
Desk/reading lamp (halogen lamps not allowed due to fire safety regulations)	

## The following are not permitted in the Residence Halls

Candles	Hot plates/pots/pans	Extensions cords
Halogen lamps	Contact Paper	Toaster ovens
Portable heaters	Multi-plugs	Incense
Coffee makers	Pets	Electric Kettle
(Single serve brewers are permitted)		Bed risers

## Items to discuss sharing with roommate(s) before arriving on campus

Area Rug (6x9)**	Microwave**	Refrigerator**	Snacks
Televisions/Roku Device	Printer	Hairdryer	

\*\*Only one refrigerator (3.6 cubic feet max) and microwave (700 watt max) permitted per room. Refrigerators (3.6 cubic feet) are available for rent or purchase from our authorized vendor. Carpets and linens are also available. *The Office of Housing and Residential Life earns a commission from working with these companies. The money earned is used to fund programs for students in the*

*residence* areas. To get more information or to purchase some of these products please go to the Housing and Residential Life section of the MyMarist website.

## **Supplemental Insurance**

Damage and theft of student property is not covered by the college. Check your policy to see what is covered. Supplemental insurance can be obtained through National Student Services, Inc. See enclosed brochure or contact their website via our webpage links.

We highly recommend you purchase some type of renter's or supplemental insurance for your student.

## **A Few Suggestions**

- Don't bring everything you own. Be selective about clothes and leave off-season items behind.
- Pack your belongings in something you can use for storage once you arrive – a storage trunk (which also doubles as a coffee table while storing your boots, bulky sweaters, extra blankets etc.) milk crates and folding crates.
- Maximize your closet space with a few inexpensive products such as tiered hangers, stacking boxes or shelves to get extra levels out of the closet floor and shelf.
- Make use of the space under your bed, which, depending on how you set up your adjustable bed could be as little as 12 inches and as tall as 36 inches. Students can request a loft kit through their Resident Director when they arrive at the end of August.

Yearly  
Rental Fee  
\$199.99

# MARIST

## Refrigerator

- › 2.13 cu. ft. Fridge
- › Two full-width wire shelves

# **The Office of Accommodations and Accessibility**

## *Services for Students with Disabilities*

Donnelly Hall, Room 226

Phone: 845-575-3274

Fax: 845-575-3011

E-mail: [accommodations@marist.edu](mailto:accommodations@marist.edu)

## **What is the Office of Accommodations and Accessibility?**

The Office of Accommodations and Accessibility (OAA) provides a comprehensive range of academic support services and accommodations that promote the full integration of students with disabilities into the mainstream college environment. The mission of the OAA is to support students with documented disabilities in becoming empowered, independent learners by providing the appropriate accommodations and services necessary to access the educational opportunities at Marist College. In addition, the OAA houses a fee-based Learning Support Program (LSP), which serves students with a primary diagnosis of a learning disability (LD) and/or attention deficit hyperactivity disorder (ADHD). Marist College also has a federal TRiO Grant, which is available to students who meet federal guidelines.

## **Who is eligible for services?**

Any student with a documented disability as defined in the Americans with Disabilities Act is eligible to receive accommodations. The OAA also serves students with temporary disabilities. To receive services and accommodations, students must identify themselves to the OAA and present official documentation of their disability. A disability is defined as a physical or mental impairment, which substantially limits one or more major life activities, i.e., walking, seeing, hearing, speaking, breathing, learning, working, caring for oneself, and performing manual tasks. Disabilities may include, but are not limited to the following:

- Attention deficit hyperactivity disorder
- Blindness or visual impairments
- Cerebral palsy
- Chronic illnesses (arthritis, cancer, cardiac disease, diabetes, Lyme disease, etc.)
  - Deafness or hearing impairments
  - Epilepsy or seizure disorders
  - Learning disabilities
  - Psychiatric disabilities
  - Orthopedic impairments
  - Speech disorders
  - Traumatic brain injury

## **What constitutes adequate documentation?**

Adequate documentation should include a comprehensive and current psychoeducational evaluation, and/or medical documentation provided by a qualified and licensed health care professional within the last three years. The documentation must explain the student's functional limitations in the college environment.

## **What accommodations are available?**

Accommodations are determined on an individual, case-by-case basis, to meet the needs of each student, and may vary depending upon the disability and/or course content. They include, but are not limited to the following:

- Textbooks in alternate format
- Notetaking services
- Readers
- Scribes
- Testing accommodations
- Use of assistive technology

## **What other services are provided by the Office of Accommodations and Accessibility?**

The following accommodations are provided on a case-by-case basis upon review of the student's documentation:

- Housing accommodations
- Dining accommodations
- Parking accommodations
- Requests for emotional support animals and service animals

## **What if my student needs attendant care?**

Attendant care services are considered personal services and do not qualify as reasonable accommodations.

Students and their families must make private arrangements for this care.

## **How does my student access services and/or accommodations?**

In order to receive services and/or accommodations, students must identify themselves to the Office of Accommodations and Accessibility and present official documentation of their disability. Students may begin the process by calling (845) 575-3274 or E-mailing [accommodations@marist.edu](mailto:accommodations@marist.edu) to arrange for an appointment.

## **Who is informed about the student's disability?**

Information about a student's disability is highly confidential. The Office of Accommodations and Accessibility cannot release this information to any member of the Marist community without the student's expressed written consent. The OAA does not inform faculty, staff, or roommates about a student's disability. If a student believes it is important for other members of the Marist community to know about his or her disability, it is the student's responsibility to inform them.

## **What is the Learning Support Program (LSP)?**

The Learning Support Program is a fee-based program that provides academic support to students with learning disabilities and/or ADHD. Students wishing to participate in the Learning Support Program must apply to Marist College by submitting a regular application to the Undergraduate Admissions Office. In addition, a separate application for the Learning Support Program must be completed. The learning support staff works with students on a weekly basis to provide individualized support in areas such as time management, organization, reading comprehension, and writing. For more information about the LSP, call (845) 575-3274.

## **What is the TRiO Grant?**

TRiO is a federally funded student support program sponsored by the U.S. Department of Education. TRiO provides comprehensive academic and personal guidance to qualifying program students. For more information, call (845) 575-3274.

## Army ROTC in the Hudson Valley

Located at Saint Ann's Hermitage, Marist  
College 845-575-3000 ext. 2591  
[http:// www.marist.edu/studentlife/rotc](http://www.marist.edu/studentlife/rotc)

Army ROTC is a 4-year leadership internship program that ultimately results in receiving a Commission as a Second Lieutenant in the United States Army. ROTC is different from the United States Military Academy at West Point in that Army ROTC Cadets are college students first and Cadets second. This allows them to gain the leadership training they need without sacrificing a traditional college experience. ROTC Cadets can request service on Active Duty or in the Army Reserve or Army National Guard. Students that want to enroll in ROTC without incurring a military obligation can do so during Freshman or Sophomore year.

### Basic Enrollment Criteria

- Full time student (at least 12 credits/semester)
- Cumulative GPA above 2.0 for participation, 2.5 for Scholarship consideration
- Good physical health
- Leadership potential
- Currently be a United States citizen or become a US citizen prior to graduation.
- Be at least 17 years of age and must not reach 31 years of age before December 31st of the year you graduate from college and receive your commission.
- Possess a high school diploma, or equivalent.
- Be able to receive medical qualification through the Medical Examination Review Board.
- Must be able to pass the Army Physical Fitness Test.
- Have no moral or personal conviction that will prevent you from bearing arms and supporting and defending the Constitution of the United States

### Army ROTC Scholarships

- **Army ROTC Scholarships:** Army ROTC awards 2, 3, and 4-year scholarships to hundreds of students each year. These awards are based solely on merit. Qualify and you can receive a scholarship for 100% of your tuition and fees, plus money for books and a monthly allowance to help cover the day-to-day costs of college life.
- **Marist College ROTC Financial Incentive:** Marist student cadets that have not qualified for an Army ROTC scholarship are eligible to receive a \$2,000 per year reduction from their Marist account. Eligibility is based on ROTC attendance, academic GPA, and performance on the Army Physical Fitness Test.

### Training

- **Physical Training:** Army ROTC Cadets conduct physical training at least 3 times per week. Army ROTC Cadets will take the Army Physical Fitness Test at least 3 times per semester. Cadets that are also Varsity athletes perform the

majority of their weekly physical training with their team.

- **Leadership Lab:** Army ROTC Cadets perform at least 8 hours of Leadership Lab per month. Labs provide a performance oriented learning environment in which Cadets receive practical opportunities to apply skills learned in the classroom. Most often, these labs are conducted as Squad Tactical Exercises with each Squad Leader receiving an evaluation on how well they applied military doctrine and led their squad through the exercise.
- **Field Training Exercises:** Army ROTC Cadets attend 2 Field Training Exercises each semester. These exercises last an entire weekend. They include activities such as Squad Tactical Exercises, Patrol Base Operations, Land Navigation Training, Marksmanship Training, and Cultural Awareness Training.
- **Summer Training:** Army ROTC Cadets can compete for assignments at Airborne School, Air Assault School, Cultural Language Immersion, Cadet Troop Leadership Training, and many other summer assignments. These assignments are voluntary. Cadets completing their Junior year attend the Cadet Leadership Course (CLC). CLC is a 29-day course that takes place the summer between Junior and Senior year.

### **Additional Notes**

- **ROTC Contracts:** Students who do not win an ROTC scholarship are still able to participate in ROTC and pursue a commission.
- **Commitment:** All commissioned officers incur an eight-year service commitment. Officers can serve in the Active Army for four years and complete the last four years in the Individual Ready Reserve (IRR). Cadets may also choose to serve their eight-year commitment part-time in the Army Reserve or National Guard while pursuing a civilian career.
- **Other Colleges in the Hudson Valley:** Students currently enrolled in other colleges in the Hudson Valley Region may participate as well. Classes, PT and Lab are held at Marist campus, and all areas are accessible to non-Marist students. Community college students may participate only, but may not compete for scholarships or contracts until they transfer to a four-year college.

**Dave Rogers**  
ROTC Staff  
Assistant  
[David.rogers1@marist.edu](mailto:David.rogers1@marist.edu)

# Office of Student Activities

Murray Student Center, SC3115

P: 845-575-3279

F: 845-575-3280

[marist.edu/student-life/involvement](http://marist.edu/student-life/involvement)

The office of Student Activities' mission is to help students develop as a full person; academically, spiritually, and socially, and to be community minded through multiple offerings of semester programs, club involvement, and campus wide cultural celebrations. They coordinate and promote leadership opportunities as well as a variety of programs and services to enhance a sense of community.

## **Dennis J. Murray Student Center**

The Student Activities office is located in the Dennis J. Murray Student Center which serves as the hearthstone for the college community and offers a variety of student facilities and services including the Nelly Goletti Theatre, the Hudson River View Multipurpose Rooms, Cabaret performance space, Student Government Association office, Student Programming Council office, Counseling Services, Main Dining Hall, USPS post office, activity rooms, a dance studio, as well as student lounge space.

Under the Student Activities office sits both the Student Programming Council as well as the Student Government Association. Both groups are student run and welcome student involvement.

## **Student Activities Services and Events**

Student Activities provides many services for the Marist community. Their most popular program is the \$5 Regal Cinemas Premiere Movie Tickets. They never expire and can be used at any participating Regal Cinemas nationwide. They also sell tickets on behalf of the Student Programming Council and registered clubs and organizations. During college holidays and semester breaks, they offer transportation to major cities in the tri-state area as well as major airports in New York City.

In addition to these services, they also host many exciting events. There is always something fun to do whether you like to stay in and watch movies with the complimentary Marist On-Demand program, or head out with friends to the student center to see a fresh out of the theatre release before you can see it on any major streaming service. They offer trips as well to see blockbuster movie premieres in the theatre at a reduced cost. Experience all the benefits of Marist's proximity to New York City by taking their annual holiday shopping shuttle or see the world-famous Christmas Spectacular featuring the legendary Rockettes.

Student Activities aims to enrich students outside the classroom with fun and exciting events and experiential learning through the Red Fox Enrichment program. Students will earn priority points for on campus housing room selection while learning to create brand new culinary creations, knit in a student-led Stitches class or destress with yoga and Pilates.

## **Student Employment Opportunities**

The friendly faces you will see around the Murray Student Center are not just their professional staff. They are one of the largest student employers on campus. If you

have been awarded Federal Work Study, come by the Student Activities table at the Student Financial Services' Job Fair on the first Wednesday of the fall semester and apply to be part of the team. They hire for many student positions including the Student Activities Operations Crew, Event Technicians, and Marketing Team. There are also opportunities for students to move into managerial roles and help to supervise their peers during day to day building operations.

### **Student Programming Council**

The Student Programming Council (SPC) coordinates entertainment offered both on and off campus at Marist. SPC works closely with the Student Activities office to host comedy clubs, coffeehouse performances, bingo nights, concerts, and off campus trips to Broadway shows, sporting events, Six Flags Fright Fest, ski trips to Belleayre Mountain and more! Members of SPC have an opportunity to meet new people, gain leadership skills, and work with a team of students who share the same goal of bringing students together and building a sense of community. During the spring semester, the students in SPC have the opportunity to plan a large-scale concert for the entire Marist community to attend. Previous artists include, Goo Goo Dolls, Lupe Fiasco, Girl Talk, Jason Derulo, 3OH!3, Sammy Adams, Kid Ink, Big Sean, All Time Low, Bleachers, X Ambassadors, A Boogie Wit Da Hoodie, Hunter Hayes, and ASAP Ferg.

### **Student Government Association**

The Student Government Association (SGA) empowers students and creates change by serving as a liaison between the student body and the administration. SGA consists of the Assembly, which includes the Student Body President, Executive Vice President, and members of the President's Cabinet, as well as Class Presidents, and Representatives. At the start of the academic year, SGA holds elections for the Freshmen class officers as well as Representatives to serve on the SGA administration. Student Activities also assists the Student Government Association in the chartering of new student clubs in addition to the disbursement of the activity fee funds.

### **How can students learn about and join clubs?**

The Student Government Association and the Office of Student Activities sponsor an Activities Fair at the beginning of each semester. This is an excellent opportunity to meet with club officers and representatives and join the club of their choice. Students may also visit the Student Government Association office for club information. For a full listing of current student clubs, please visit <http://mari.st/StudentClubs>.

### **How do students find out what's going on?**

Each semester the Office of Student Activities publishes a semester long activities calendar. This publication can be found in print at the Student Activities office and on social media. It includes program dates for lectures, comedians, Cabaret acts, theatrical performances, performing arts events, concerts, films, SPC events and club activities. Student Activities and SPC sponsored event information can be found on their respective social media accounts.

Follow Student Activities, Student Programming Council, and Student Government Association on social media to see what they are up to and how you can get involved.

# Office of Student Conduct

Rotunda 389

Phone: 845-575-3514

Fax: 845-575-3520

We are the **Office of Student Conduct (OSC)**. The OSC is responsible for developing and administering a Code of Student Conduct that supports the College's values, goals, and priorities. Marist College is committed to providing an environment that promotes academic learning, institutional and personal integrity, justice and equality. The College considers all Marist students as partners in the responsibility of creating and maintaining that environment. Utilizing an educational philosophy, the program informs students of their responsibilities as members of the community, involves students, faculty and staff in administering the conduct process, and assists all members of the campus community to live and learn in an environment that is orderly, peaceful, and supportive of individual growth and development. Let us introduce ourselves...

## Where to Find OSC

Rotunda, Room 389

Office Hours: Mon. - Fri. 8:30AM - 5:00PM

## How to Reach Us

Phone: 845-575-3514

E-mail: [StudentConduct@marist.edu](mailto:StudentConduct@marist.edu)

Web: [www.marist.edu/student-life/community/student-conduct](http://www.marist.edu/student-life/community/student-conduct)

## What We Do for Your Student

- Publish the Code of Student Conduct to help members of the community understand behavioral expectations, rights and responsibilities. (Families are encouraged to review the Code, found on-line at [www.marist.edu/student-life/community/student-conduct](http://www.marist.edu/student-life/community/student-conduct), and discuss it with one another prior to arrival).
- Facilitate the conduct process by reviewing all Incident Reports to determine where discipline cases will be handled, meeting with students in conduct conferences, and advising hearing panels.
- Engage students in a prompt, fair, and meaningful process that promotes adherence to policies, and encourages learning and thoughtful evaluation of decision-making.
- Speak to students and parents about common policy violations and sanctions that may be imposed.
- Act as advocates for students educating them on their rights and responsibilities.
- Assist victims of code of conduct violations and refer students to appropriate resources.
- Educate and train members of the campus community about policies and the conduct process.

**We look forward to working with students, with the common goal of forming a warm, welcoming community. Best wishes to our incoming students and their families!**

# Campus Sustainability

## Sustainability

Sustainability is defined by the World Commission on Environment and Development as “forms of progress that meet the needs of the present without compromising the ability of future generations to meet their needs.” While many conceive of “sustainability” as an “environmental issue,” the concept embraces all human activities and disciplines.

The College makes every effort to promote the broadest perspectives, expertise, and information on sustainability, and keeps our collective and ongoing focus on advancing education for a healthy, just, and sustainable future. The societal challenges to creating vibrant, secure communities, and strong economies, while preserving the earth’s life support systems on which we all depend, are daunting. Higher education has a responsibility to produce an educated and engaged citizenry and a thriving and civil society.

Key initiatives in the College’s strategic plan call for *advancing the social good and promoting innovation* which promote implementation of environmentally sustainable practices and to foster lifelong behaviors supporting environmental health.

**To learn more about what actions the College has undertaken, visit**

**<https://www.marist.edu/student-life/sustainability>**

# Student Financial Services

Donnelly 200

Phone: 845-575-3230

Fax: 845-575-3099

E-mail: [studentfinancialservices@marist.edu](mailto:studentfinancialservices@marist.edu) Web:

[www.marist.edu/SFS](http://www.marist.edu/SFS)

The Office of Student Financial Services is committed to providing affordability options and managing the equitable distribution of student aid funds. In addition, the office is responsible for student billing and also for coordinating student employment both on and off campus. We are dedicated to promoting accessibility through personalized service and integrity.

## Computer Store

Phone: 845-575-3556  
Donnelly 115  
E-mail: [compstore@marist.edu](mailto:compstore@marist.edu)  
Web: [marist.edu/computerstore](http://marist.edu/computerstore)

The Marist Computer Store is open Monday – Friday 10 AM – 4 PM  
Visa, MasterCard, Discover Card, cash or check accepted

Marist College offers both Apple and Lenovo technology for student purchase.

- **Apple On Campus Program** has Apple MacBook Pros, MacBook Air and iMacs which can be purchased at the discounted cost of the Apple Education program through the Computer Store website: [www.marist.edu/computerstore](http://www.marist.edu/computerstore) .We recommend the purchase of Apple Care which extends your manufacturer's warranty another two years. However, Apple **does not** offer a fourth year manufacturer's warranty. Other Apple accessories are sold in the Computer Store.
- **Lenovo ThinkPad University Program (TPU)** offers Marist-ready PC laptops. Lenovos can be purchased through the Computer Store website: [www.marist.edu/computerstore](http://www.marist.edu/computerstore) . The laptop comes with a 3 year manufacturer's warranty and at an additional charge, an optional 4<sup>th</sup> year of manufacturer warranty and a 4 year accidental protection.

In the store, you will find external hard drives, surge protectors, mice, printer cables, HDMI cables, Ethernet cables and a wide range of other accessories.

If you purchase a Lenovo ThinkPad with a valid warranty or Apple with AppleCare through the computer store link ([www.marist.edu/computerstore](http://www.marist.edu/computerstore)), our **ResNet** technicians are certified to make on-site repairs. A loaner laptop is available for extended repairs. For all other laptops, while ResNet can assist with diagnosing a problem, we cannot repair them, as we are only Lenovo and Apple Certified.

# ResNet Client Technologies

Donnelly Hall 101  
Phone: 845.575.3135  
Web: [marist.edu/resnet](http://marist.edu/resnet)

## What is ResNet?

ResNet is a team of staff and students who assist **all** Marist students with connecting and staying connected to the network. ResNet supports issues related to the wireless and the campus network in general, spyware, adware, and virus removal, as well as general PC troubleshooting support. ResNet is here for all students – residents, commuters, graduate, adult, and distance learners.

## ThinkPad University Program

Lenovo ThinkPad laptops can be purchased through the Computer Store and are highly recommended by ResNet. Hardware repairs can be done on-site at the ResNet office, if covered under the standard 3-year manufacturer's warranty or the optional\* 4-year accidental damage warranty. If a warranty repair will take longer than 24 hours, ResNet will provide a loaner laptop for the duration of the repair. Loaners are only provided during the Fall/Spring semesters to on-campus and commuter students. *\*ResNet strongly recommends purchasing the upgraded Lenovo warranty that provides accidental damage protection and extends warranty coverage to four years.*

## Does Marist offer Apple computers?

**Yes.**

Students can purchase Apple computers through the Computer Store's web portal and save with an Apple student discount. Simple Apple repairs due to manufacturing defects will be completed on-site at the ResNet office for systems with a valid warranty. By default, Apple computers come with a **1-year** warranty; ResNet strongly recommends purchasing AppleCare+, which extends the coverage to 3 years and covers up to two incidents of accidental damage every 12 months. Accidental damage claims are subject to a service fee ranging from \$99 to \$299. All accidental damage claims must be handled directly between the student and Apple; ResNet does not handle Mac accidental damage repairs.

## Is there anything that ResNet doesn't do?

**Yes.**

ResNet is **not** a full-service computer repair shop. ResNet does not install any non-Marist software. ResNet does not install any hardware (hard drives, printers, memory, video cards, etc.). ResNet does not reformat hard drives, reinstall operating systems, or upgrade operating systems. ResNet does not support printers – if a student runs into problems with their printer, they will have to contact the manufacturer. Usually, for any hardware-based problems, the student will be referred to the computer manufacturer (**except for ThinkPad University systems and Apple computers purchased through the Computer Store – see above**).

# Windows Recommended Specifications

<b>Operating System</b>	Windows 11
<b>Processor</b>	Multi-core CPU
<b>RAM</b>	8+ GB (memory)
<b>Internal Storage</b>	256+ GB solid state drive (SSD)
<b>Ethernet (Wired)</b>	Gigabit Ethernet (optional)
<b>Wireless Connection</b>	802.11ac compatible wireless card

## Apple Recommended Specifications

<b>Operating System</b>	macOS 13 (Ventura)
<b>Processor</b>	Multi-core CPU
<b>RAM</b>	8+ GB (memory)
<b>Internal Storage</b>	256+ GB solid state drive (SSD)
<b>Ethernet (Wired)</b>	Gigabit Ethernet (optional)
<b>Wireless Connection</b>	802.11ac compatible wireless card

**Are there any systems that are not supported on the Marist Network?**

**Yes.**

Legacy operating systems are **not allowed** on the Marist network. This includes all versions of Windows 10 or 11 prior to version 22H2, and all versions of macOS prior to 12 (Monterey).

PCs running current versions of Linux, gaming consoles, and smart devices are not supported by ResNet. These devices will be allowed on the network; however, if students running these devices have issues, ResNet may or may not be able to help them resolve the problem.

**Windows 10, Windows 11, and macOS 12 or higher are fully supported**, meaning ResNet will provide help with connecting and staying connected to the network, Windows/macOS updates, malware removal, and general troubleshooting.

**Does ResNet provide full support for students studying abroad?**

**No.**

ResNet can provide email and phone support **only** and there is **NO** loaner laptop program.

**Besides my computer, is there anything that I need to bring with it?**

**Yes.**

- Any original software installation media and license keys (e.g., Adobe Creative Cloud)
- Any peripherals (keyboard, mouse, monitor, etc.)
- All of your cables, **including your charger**
- Copies of any system warranty or service plan documentation

## **Does Marist require any software to be installed?**

**Yes.**

Marist requires that an up-to-date antivirus program be installed on your computer to access the network. Trellix Endpoint Security is provided by Marist College to all current students at no charge; the download link opens for incoming students in August. For more information, please visit: [www.marist.edu/resnet/antivirus](http://www.marist.edu/resnet/antivirus).

## **Does Marist provide Microsoft Office to students?**

**Yes.**

All current Marist students have a subscription to Microsoft Office 365. Your Marist email account gives you access to the web-based and full-featured desktop versions of Office applications (Word, Excel, PowerPoint, etc.). Students may install the desktop versions of Office 365 on up to five (5) Windows or Mac computers. The Office suite is also available in all computer labs across campus. For instructions on how to install the desktop version of Office 365 on your computer, please visit:

**[www.marist.edu/resnet/howtos](http://www.marist.edu/resnet/howtos)**

Please note that the download link for installing Office will not show up in a student's Office portal until August.

## **How do students get connected to the WiFi at Marist?**

All buildings on campus are covered by Marist's wireless network. When on campus, you can connect to the FoxNet-Setup network, then go to the link at the end of this section (some devices will be redirected to it automatically) and follow the instructions on the page to configure the network connection on your device. This setup process can also be done before you arrive on campus, once you have your Marist email account and password. For more information, please visit: [mynetworksetup.marist.edu](http://mynetworksetup.marist.edu)

## **Does ResNet have any employment opportunities for students?**

**Yes.**

ResNet is staffed by a diverse group of talented and hard-working students. We prefer students who have a background with and knowledge of computers and customer service, but it is not required that a student have a computer-related major to work for ResNet. If you are interested and want to learn more, you can send an email to [resnet@marist.edu](mailto:resnet@marist.edu).

## **What about email?**

Students are given a username (Marist account) and password they can use to access their Marist email. The Marist account is also used to access other services, such as the student's class schedule, grades, labs, etc.

# Marist College Policy on use of Official Email

The college considers email to be an official means of communication with students, faculty, and staff. When communicating via email to members of the Marist community, all administrative offices, faculty, and students must use their official Marist email address. This address is in the form of **firstname.lastname#@marist.edu**, often called the Marist account. The Marist account is the only email address that the college will use to communicate with students and employees.

## Student's Official Email Account

- All students will receive an official email account from the college.
- All administrative offices and faculty will use the official Marist email address when communicating via email to the Marist community.
- Students will be responsible for checking their official Marist email account on a regular basis.
- Students are prohibited from sharing their Marist College email account with any other individual, including family members.

## Appropriate use of Official Email

- Email is not appropriate for transmitting sensitive or confidential information unless it is matched by an appropriate level of security or permission.
- All use of email will be consistent with all current Marist policies.
- All use of email will be consistent with local, state, and federal law.
- Communications sent to official Marist email address may include notification of College-related actions.

## How often should I check my email?

All students are expected to check their official email on a frequent and consistent basis. Students are responsible for the consequences of not reading College-related communications in a timely fashion that have been sent to their official Marist email account.

## What happens if I miss an important email?

Unfortunately, excuses such as full mailboxes, returned mail, not checking mailbox, etc. will not be acceptable. The college is not responsible for delivery problems to non-official email accounts. Individuals are responsible for maintaining mailbox quotas and functional addresses.

## Intellectual Property Rights

File sharing programs such as uTorrent, Vuze, Popcorn Time, and BitTorrent have become popular for transferring files between people, or for viewing. While these programs can have legitimate uses, many people use them to share copyrighted material (movies, TV show episodes, and music) in violation of the law. Sharing copyrighted materials is theft. Even if a person has paid for the movie or song, if it is on a computer with file sharing enabled, the person may be in violation of the law and College policy.

Marist College takes intellectual property rights and the Digital Millennium Copyright Act (DMCA) very seriously. Any student found to be in violation will be removed from the network and

referred to the Office of Student Conduct for disciplinary action. This could negatively impact the student's ability to do coursework.

Detailed information concerning this very important issue can be found at [www.marist.edu/information-security/copyright](http://www.marist.edu/information-security/copyright).

## **Marist College Technology Acceptable Usage Policy**

By using your Marist account or any device on the Marist network, you agree to and are bound by all terms and conditions of the Marist College Technology Acceptable Usage Policy. All Marist College account holders are responsible for the security of their accounts and are expressly prohibited from sharing their login and password with anyone else. This includes parents and other family members. Any individual found sharing their Marist account may risk losing access to network and account services. File sharing of copyrighted materials and signing into computers or devices that do not belong to you are examples of direct violations of the acceptable usage policy and will result in network probation. The acceptable use policy can be found at <http://mari.st/aup>

Please read and understand Marist College technology policies at [www.marist.edu/information-security/policies-and-resources](http://www.marist.edu/information-security/policies-and-resources) in the "Policies and Documentation" section.

## Student Mail and Package Services

The mission of the Marist Mail & Package Solution Center is to provide the community with efficient processing and distribution of its mail and packages.

### Address information:

Early August your Marist mailing address will be located on your My Marist portal. Click on to the Student tab then click on Post Office under Department Resources.

#### Student Name

Marist College MSC \*  
3399 North Rd  
Poughkeepsie NY 12601-1354

\*The MSC number is an individual number assigned to students that live on-campus to ensure mail and packages are delivered correctly. If the MSC number is not available, please make sure the address contains the student's First name and Last name.

### Mail & Package Delivery:

All resident students will receive an email for mail and packages received. Please have your Marist ID when you come to our service counter to receive your mail and packages. Marist IDs are required for our card swipe technology to initiate the delivery process of your mail and packages. Magazine subscriptions for students are discouraged. **\*Important Delivery Notice! Large volumes of packages are received during the first few weeks of each semester causing delays in delivery. We appreciate your patience during these times.**

### Mailing of Letters and Packages:

At our service counter, you can purchase stamps, mail packages and send overnight mail. You can purchase mailing supplies like envelopes, shipping boxes and bubble wrap. We only accept cash or Marist Money for the payment of these services. You can only mail items off campus Monday through Friday. Please bring any items you would like to mail to our service counter by 3:30 p.m.

### Location:

We are located on the Second floor of the Murray Student Center. Go to the Champagnat breezeway and take the stairs or elevator to the second floor.

### Customer Service Counter Hours:

#### Academic Year

Monday - Thursday	9:00 a.m. - 6:00 p.m.
Friday	9:00 a.m. - 5:00 p.m.
Saturday	9:00 a.m. - 1:00 p.m.

#### Summer / Winter Breaks

Monday - Thursday	8:30 a.m. - 4:30 p.m.
Friday	8:30 a.m. - 4:00 p.m.
Saturday	Closed

# Marist Money/College ID

Donnelly 241

Phone: 845-575-3550

E-mail: [cardservices@marist.edu](mailto:cardservices@marist.edu)

Web: [marist.edu/maristmoney](http://marist.edu/maristmoney)

Marist Money is a convenient service the College offers students. Money is put onto the student's ID card and can be used to make purchases on and off campus. It is safe and convenient to use while eliminating ATM fees and the need to carry cash! Campus services that accept Marist Money are: Bookstore, Campus Dining Facilities, Digital Publication Center, College Activities, Post Office, and the Computer Store. Off campus services include local restaurants, convenience stores and pizzerias. Purchases of alcohol, tobacco, lottery tickets, and gift cards are not allowed with Marist Money. For more information regarding the Marist Money program please visit our website: [www.marist.edu/maristmoney](http://www.marist.edu/maristmoney).

## Where does a student go to report a stolen or lost ID card?

A lost or stolen Marist ID card **must** be reported immediately to either Marist Card Services or the Office of Safety and Security located in Donnelly Hall. Once the card is reported lost or stolen, the account is frozen and protected. There is a nonrefundable \$20.00 replacement fee for lost ID Cards.

## How will a student know when his/her account is running low?

Account balances are available on myMarist portal. This statement allows the student to view their balance for Marist Money, Thrifty Cash and meal usage. A student may also check their balance at any Marist Money reader, Dining Services cash register, or at Card Services located in Donnelly Hall DN 241. It is the student's responsibility to keep track of purchases made allowing them to manage their own account.

## How can additional funds be deposited to a Marist Money account?

Deposits may be made to an account in person, on-line, or over the phone with cash, check or credit card. While there is no minimum for cash deposits, there is a minimum of \$25.00 for credit card deposits. If a deposit is made by check, it should be payable to **Marist Money** and mailed to Marist Card Services. There is a \$15.00 charge for any returned check. For on-line deposits, please go to our web site, [www.marist.edu/maristmoney](http://www.marist.edu/maristmoney), and select "Make A Deposit" from the menu on the left. When making a deposit, the depositor will need the student's CWID#.

## How does a student obtain a copy of his/her transactions?

A student may email Card Services from their Marist foxmail account requesting a detailed statement or visit Card Services at Donnelly DN 241.

## If there is a balance of funds in a Marist Money Account, what happens?

The account balance will remain from year to year. If you are graduating or leaving the college, fund balances will be applied to any outstanding debt. You may request a refund, in writing, of any remaining funds of \$20.00 or greater, through Marist Card Services. *Please note that cash cannot be withdrawn from Marist Money.*

*The Marist Money account should not be confused with Thrifty Cash, which is associated with the College's Dining plan, offering students a minimal declining balance for dining services.*

# Marist Bookstore

A Barnes and Noble College

Bookstore Rotunda

Phone: 845-575-3260

Fax: 845-471-8902

E-mail:

bookstore@marist.edu

Web:

marist.bncollege.com

The bookstore wants to be a part of your son/daughter's college experience.

A favorite college sweatshirt, car decal, morning coffee mug, and the textbook from your student's favorite class with that amazing professor, can all be purchased from this bookstore.

The bookstore works closely with the faculty to provide students with all the required course materials. When books are purchased from the Marist Bookstore, you can be sure that your student is getting exactly what is needed to be prepared for class.

To help keep costs down, the bookstore offers a textbook rental program, a large inventory of used books and a large selection of digital books for you to choose from. The bookstore also operates a textbook buyback program daily.

## Textbook Reservation

After a course schedule is received, students may visit the bookstore's website (<https://marist.bncollege.com>), provide us with their course schedule, and we will pre-pack the textbooks needed for their courses. The reservation program requires prepayment by credit card. The purchase will be charged to your credit card when the order is processed, not when the order is submitted. Reservations can be picked up at the bookstore anytime during the first week of the semester.

The bookstore accepts cash, Marist Money, all major credit cards, and Barnes and Noble gift cards for payment.

The staff of the bookstore welcomes you and your student to the Marist community and looks forward to serving you.

# Campus Administrative Offices

# Family Weekend 2023

## Dates

September 29, September 30, October 1

## Recommendations

- Make hotel reservations now
- If dining off campus, make reservations early (listing of restaurants is in the Campus and Area Information section).
- If arriving late on Friday, have your son or daughter pickup up the event tickets for you.
- You will receive an email and/or postcard by mail in August when it is time to register online. Register early because some events have limited seating and fill up quickly!

## Events and Activities

Entertainment

Breakfast with the President

Campus Green Activities

Local Tours

For more information regarding Family Weekend, visit our website in August at:

## Driving Information

**From Massachusetts:** Take the Mass. Tpke (90) west into NY. Take the Taconic Pkwy south, and exit onto Rt. 199 (Red Hook, Pine Plains). Continue on 199 W until you intersect with Rt. 308 west. Take 308 W into Rhinebeck where you will then intersect with Rt. 9 south. Take Rt. 9 south about 15 miles. Marist College will be on your right.

**From Southern Connecticut:** Take I-95 south to I-287. Take I-287 west to I-684 north. Continue on I-684 to I-84. Take I-84 west to exit 13 (Rt. 9) Go north on Rt. 9. Marist College is about 15 miles north on the left side of Rt. 9.

**From Northern Connecticut:** Follow Southern Connecticut directions beginning with I-84 West.

**From New Jersey & Points South:** Take the New Jersey Turnpike to the Garden State Parkway north to the NY State Thruway. Take the Thruway north to exit 17 (Newburgh). Take I-84 east to exit 13 (Rt. 9 north). Marist College is located approximately 15 miles north on the left side of Rt. 9.

**From New York City:** Take the Hutchinson River Parkway to 684 north to I-84. Take I-84 west to Exit 13 (Rt 9). Marist College is located about 15 miles north on the left side of Rt. 9.

**From Long Island:** From the Whitestone & Throgs Neck Bridges - Take the Hutchinson River Parkway north to I-684; continue onto I-84 west to exit 13 (Rt. 9 north). Marist College is located about 15 miles north on the left side of Rt. 9.

**From Northern New York:** Take the NYS Thruway south to exit 18 (New Paltz). Take Rt. 299 east to Rt. 9W south; continue on Rt. 9W to Mid-Hudson Bridge (Rt. 44-55) Poughkeepsie. Make the first right off the bridge and follow the signs for Rt. 9 north, Hyde Park. Marist College is located approximately 1 ½ miles north on the left side of Rt. 9.

**From Stewart Airport:** Head south on 1<sup>st</sup> St., towards Circulation Dr. Right onto Circulation Dr. Continue onto Breunig Rd. Left onto NY 207 E/Britain Rd. Left onto NY 300 N.Union Avenue. Merge onto I-84 east. Take I-84 east (cross bridge) to exit 13 (Rt. 9 north). Marist College is located about 15 miles north on the left side of Rt. 9.

For additional information regarding local and regional transportation services for Marist students see this website link:
