Specific modifications will vary from student to student. Examples may include:

- a larger desk;
- breaks during class, as needed;
- permitting temporary access to elevators;
- rescheduling tests or exams;
- excusing absences due to pregnancy or related conditions;
- submitting work after a deadline missed due to pregnancy or childbirth;
- providing alternatives to make up missed work;
- allowing excused absences for parenting students who need to take their children to medical appointments or to take care of their sick children.

A student will be allowed to make up any work missed due to medically necessary absences for pregnancy or related conditions. A student will be offered acceptable alternative arrangements to make up for missed work. The student will not be required to complete make-up work until the student’s medically necessary absences for pregnancy are completed.
