**PSYC207L-741**

**Fall 205 – August 25 – October 16, 2025**

Welcome to the Fall 1 semester for The Exceptional Child Class 207L 741. Mrs. Faith Cousens Welcome! This course will be 8 weeks in length and will need 2-3 hours of work per day, approximately 10-15 hours a week. Because we have a lot of material to cover in a short amount of time, it must be fast paced to accomplish these goals. I am looking forward to getting to know you this semester, and to expand your thinking about people with disabilities.
